Havilar,
I'm glad we got to be good friends this year, I'll see you over the summer, so I'll keep it short.
Know how thrilled I am to sign your annual (ha-ha) we can talk about that later.

JAV
YOU

Know how thrilled I am to sign your annual (ha-ha) we can talk about that later.

Javier,
What's up! I hope that you have a great summer and see you on the field of a softball game.
Chris

Javier,
Well we did it - we made it through English Can you believe it. And next year Seniors. It was really great getting to know you better in English this year. I hope that we have a class together next year. Have a great Summer.

Javier,
It was nice having you in English during the second semester. I know you're probably very glad you came in. After all Ms. Martin is such a great teacher that our lives would not have been complete without being in her class. (Of course, I'm kidding. I hope you know that.) Well, it was great getting to know you; you're a real sweet guy. Have a terrific summer and I'll see you next year.

Javier,

I'm glad to have had you in 1st Period Spanish. Thank you for your interest, good study habits & courtesy. They are all much appreciated. ¡Qué bueno que pasaste una "A" como nota final. Espero verte en mi clase de Segundo año. Diviértete durante el verano (pero no demasiado) Te veo en Septiembre.

¡Hola luego!
Eva Lore

Javier,

Another year has passed and now we're big seniors. Too bad the Lakers lost but when they get Alleen next year they'll be awesome. Fernandez's class was cool and it will help you when you get into politics. Have a great summer and maybe we'll have a class together next year.

Your Friend,
Dant Ampley

Javier,
Well, we had a good year or at least I did. No more Jaws Bell yaara,
Thanks a lot for letting me pay

Striving For Excellence

"Striving for Excellence" is this year's 1984 Olympic theme. The 1984 Summer Olympics are to be held in Los Angeles. The last time the Olympics were held in Los Angeles was in 1932. This is a great opportunity for one to see the world's best athletes striving for the gold.

San Gabriel has helped celebrate the coming of the Olympics by using logos from the Olympic games and including Olympic themes in certain school activities.

Olympic Theme

Our 1984

Clockwise: The 1983-84 Pep Squad shows their spirit out at the park. Anne-Marie Rothstein, Ellen Gonzales and Allison Lindbeck face up to reality. Nancy Hayami is anxiously waiting around the corner for the Olympic Games to begin. The home of the 1984 Summer Olympics. Teri Garcia looks disgusted after finding out the 1984 Summer Olympics will be played in Los Angeles instead of San Gabriel. Michelle Noreillie and Kanoe Yim can't wait until the 1984 Olympics.

It's a Matter of Pride

School Theme

"It's a matter of pride" is this year's San Gabriel theme. It was carefully thought up over the summer by Executive Board. Posters and a Flag were designed under the direction of Staci Levine, Art Staff Chairman, to unite students and remind them of the pride in their school. The poster shows the Olympic torch and ties together the school theme and the Olympic spirit. This helped San Gabriel to celebrate the 1984 Olympic Games held in Los Angeles.

When several students were asked How they feel about their school they responded:

"When I think of pride in San Gabriel High my thoughts automatically go to the music department. I feel proud to be a part of this elite group."

Sherry Williamson.

"San Gabriel is a great school because of all the opportunities in sports. I am happy to have participated in athletic events representing this High School"

Tisha Martin

"San Gabriel High School is a great school for those who appreciate social awareness. It offers learning experiences that one can't get from other schools"

Richard Kim

Clockwise: San Gabriel's Flag symbolizes the pride of the student body.

Staci Levine "The Bull" shows her enthusiasm.

J.V. yell leader Gina Torrez waits patiently to show the crowd her spirit.

The pride of San Gabriel High.

A.S.B. President John Lawler listens carefully to suggestions by Executive Board.

Discouraged with her classes Aurora Amores discusses it with her friends.

Reaching for the Gold

"Reaching for the Gold" is what San Gabriel's yearbook staff has successfully done with the 1984 El Camino Real. We have attempted to make one of the best yearbooks we have ever had, and in our minds we have succeeded. This annual brings out the spirit of the Olympics in our school by showing how different cultures can work together in sports and other events like music and fine arts.

Memories of 1984

The 1984 El Camino Real Staff should be proud of themselves. They accomplished a difficult task with their hard work and dedication.

Photographs were done by Ted Giandomenico, Angie Chen, Evalinda Mendoza and artwork was done by our creative artists Jim Lee, Robert Vega, Alan Shen and David Chow.

The 1984 Senior Class layouts were done by Karen Krier, copy was written by Rosie Gallegos helped by Teri Garcia and Senior Section editor was Colleen Neal.

The Underclassmen Section was design by Renée Montalvo and Evalinda Mendoza under the supervision of Eric Evavold.

Editor for Organizations was Nancy Hayami. Layouts and copy were done by Darlene Kyle helped by Marianne Courson.

Student Life was edited by Allison Lindbeck. Carrie Pfost and Polly Katayama worked on the layouts and copy.

Layouts and copy for Faculty were designed by John Choe edited by Winnie Chwa.

Sports Section was designed by editor Angie Chen and co-editor Ted Giandomenico with help from Gina Incerta and Robert Vega.

Editor-in-Chief Debbie Cooper designed Opening and Closing Sections and worked with the overall book.

With the help and encouragement of our advisor, Mrs. Joyce Lphoff, we met our deadlines.

We reached for our goals and got the GOLD.

Clockwise: The 1984 El Camino Real Staff
 Marlene Duffy, discouraged about the test she will take next period.

 Rosie Gallegos smiles knowing she's going to Executive Board.
 Scott Weaver settles down to finish an assignment.

The Gold Medalists

The top 4% of each graduating class at San Gabriel High School is recognized as outstanding seniors. Six members of the faculty, administration and both semesters of the senior Class Council vote to determine the recipients. The recipients are given the title of Los Renombrados, meaning "the renowned."

This year eighteen seniors from the Class of 1984 became members of this longstanding tradition. These renowned seniors had a grade point average of at least 3.0 and good citizenship, as well as active participation in a wide variety of activities on campus.

The title of Los Renombrados is a prestigious award that recognizes outstanding academic achievement, leadership, service and character throughout one's years at San Gabriel High.

CSF Life Members

Each year the California Scholarship Federation awards its outstanding members with the honor of CSF Life. In determining eligibility, a student must earn ten points in their solid classes for at least four semesters.

For their consistently high academic achievements, these students earn special seals on their high school diplomas and also have the privilege of wearing distinctive gold cords at the graduation ceremonies.

Students who have met the grade requirements and wish to become part of the CSF organization, must voluntarily take time to hand in a completed application. Becoming a CSF Sealbearer can be an important factor in college admittance as well as scholarship qualifications.

Earning above average grades consistently throughout your high school years is an exceptional achievement. These 22 students should be commended because they truly exemplify the qualities of the finest MATADORS!

Senior Class Councils

This year the Senior Class Council had many responsibilities including measuring the seniors for their cap and gowns and planning the Senior Luncheon, held at The Huntington Sheraton Hotel, where many seniors received scholarships and awards.

One of many fundraisers organized by the Senior Class Council was the successful selling of buttons and stickers. They appealed to the senior class since the logo was "I Love The Class of '84."

The Council's advisor for this year was Mrs. Ayles who dedicated a lot of her time and experience since she has advised the Senior Class Councils for many years.

The first semester's president was Kirsten Christensen and Peggy Bradley was second semester's president. As presidents they had many responsibilities, the most important was the relaying of all the information from Executive Board of their councils.

Seniors Around Campus

When asked what friendship mean to them, some seniors stated

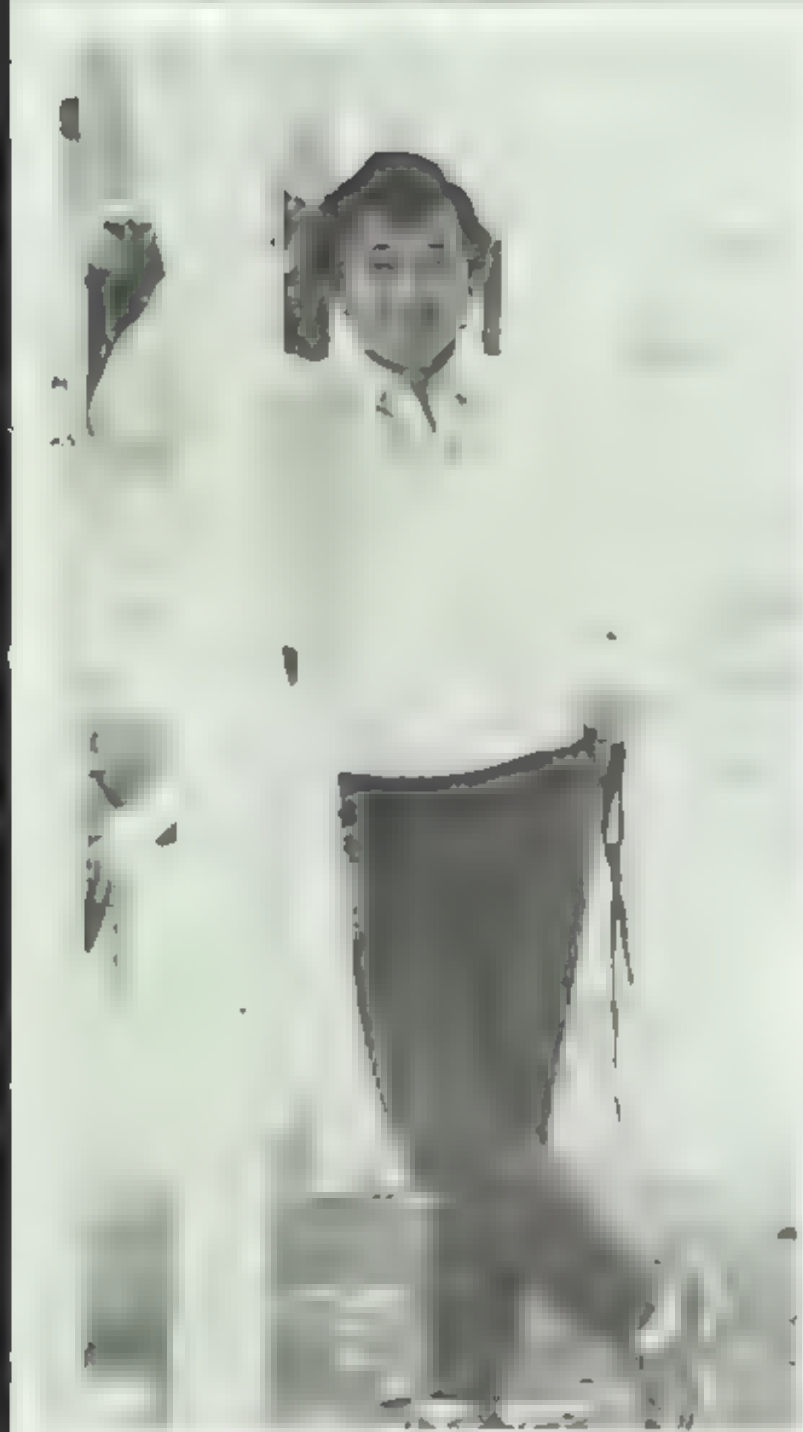

Allison Lindbeck: I've learned a lot about true friendships

Marrat Rytty: American friends are the best

Nancy Hayami: High School is a very demanding and bigly emotional time of our lives, having shared it with good friends really makes it worthwhile

The general feeling among the class of 1984, was they couldn't have made it without a "little help from their friends."

Planning for the Future

This years members of the Junior Class Council spent much of their time raising money through many activities. These activities included selling class t-shirts and candy canes. Their main responsibility was to plan the Junior-Senior Prom, a formal dinner/dance, which was held at the Pasadena Hilton. These plans included the selection of the band "Scandal", selecting a theme and discussing decorations. The juniors did a fine job in planning the prom. Through their hard work it was a memorable event.

Bob Dash with his clarinet

Bob Dash is a very talented musician. He has been playing clarinet for over six years and has won various awards for his fine performances. One award which he has received is the Sam's Scholarship. This provides a grant of a hundred and fifty dollars which goes towards the cost of private lessons to further develop his talents. To win the Sam's Scholarship, one must first go through an audition in front of many judges. Bob played a duet by Mozart for his audition and amazed the judges. Bob also hopes to one day play in the Los Angeles Philharmonic Orchestra. Music plays a very important role in Bob Dash's life.

Angie Serna is a fine musician here at San Gabriel High School. She has been a member of various choral groups since her freshman year. Angie has been in A Cappella choir and Vocal Band for two years. She has been awarded the Sam's Scholarship for fine arts and is now taking private voice lessons with the money awarded to her from that scholarship. She applied for the Medallion Award in fine arts. Angie has also been accepted to the Southern California Honor Choir. She has performed at various places including Disneyland and Universal Studios with the A Cappella choir. Angie feels that music will always be a big part of her life. She plans on majoring in music in college and hopes to one day be a professional vocalist.

Working Together

To Be or Not to Be? Let's Debate!

Here at San Gabriel High we are lucky to have two juniors who have been outstanding in debate. Both Chrissy Williams and Brian Hupp are involved in the debating team here on campus. Both have been in debate for a year and a half and have shown extreme potential. In team debate, they were awarded fourth place at UCLA out of 48 schools which competed.

Chrissy Williams went to a state championship competition which was held in San Diego for Extemporaneous Speech. This is a 5-7 minutes speech on a current event where one only has 30 minutes to prepare. She has also been a regional finalist in the Lion's Club competition for a planned speech given on nuclear power.

Brian Hupp was awarded a first place trophy in extemporaneous speech in the SGHS speech tournament. He competed in the Native Sons and Daughters Tournament where he presented a speech on the Gold Rush.

Both also have competed at UC Berkeley and have participated in the Mock Trials in Los Angeles where they finished second place.

Brian Hupp savors another victory.

Chrissy Williams smiles in victory.

The Best Is Yet to Come

Sophomore Class Council: Sandy Stratton, Dustin Fain, Lisa Carney, Elaine Chien.

This year's Sophomore Class Council consisted of five very enthusiastic students who were elected by their fellow classmates to represent their class in the student government. Their activities included fund raisers, such as selling coke at dances, Matador scarves, and Class of Eighty-six T-shirts to raise money for next year's Junior/Senior Prom. By being in Class Council, these students will have gained leadership qualities that will strengthen their skills for the future.

Award Winner, Mary Robertson

Mary Robertson was chosen as this year's representative in the Hugh O'Brien Youth Foundation program. Mary was active throughout our community. She participated in church activities, fund raisers, and community projects. She served as vice-president of her 4-H Club and was a Soph-Fresh Yell leader.

This program was designed to bring together selected sophomores with leadership potential. Mary attended a state seminar in April. She participated in workshops at the seminar.

Being selected was a great honor for Mary Robertson. She was very surprised to be picked to represent San Gabriel High.

Way to go, Dawn!

One of the outstanding members of the Sophomore Class is Dawn Archeleta. She is a member of Executive Board, Sophomore Class President and someday hopes to be the Student body President. Dawn is involved in J V, tennis and her hobbies are aerobic exercise and skiing. Her plan for the future is to be a Child Psychologist and attend UC Santa Barbara. Right now she is concerned with promoting more school spirit.

The Time Is Now

This year Freshmen Class Council consisted of five enthusiastic girls. The all female council showed their spirit by selling ice cream at their first Homecoming Fair. Their duties ranged from being responsible for promoting a cleaner cafeteria to holding a contest for designing the "Class of 87" sweatshirt

Mrs. Wong's Freshmen Honors class steals the limelight

There are 29 people in Mrs. Wong's freshman Honors English Class. These lucky Freshmen were selected for this class by writing brilliant compositions in which their writing potential was noted. Being in the Freshman Honors English Program, one gains more experience in writing college type essays and preparation for the years ahead. Congratulations on making it through your freshman year, but just think you get to have Horrible Henderson next year.

Five very talented Freshmen that attend our school are members of the 1983 State Baton Twirling Champions, the San Gabriel Twirlers. They are Michelle Allen, Darlene Hesselgesser, Vicky Kerthold, Cindy Meada, and Christine Torres. These girls practice once a week regularly and three times a week when preparing for a competition. The twirlers put a lot of time and effort into twirling and are recognized as "The Best". They were invited to England, Scotland, and Wales in the summer of 1982 to perform with West High School from Torrance. The girls are now practicing for the National competition at Notre Dame.

This year San Gabriel High students won many awards for outstanding performances in various fields. All classes were represented by winners.

Kathleen Peterson, an outstanding member of the senior class, was selected as a National Merit Finalist. She was at the top of her class with a 4.0 GPA. Kathleen excelled in music and acting as well as academics.

Another distinguished senior, Richard Kim, was awarded the Science Scholarship by the Committee on Advanced Science Training. Through this program, Richard was able to participate in cancer research at the City of Hope.

This year's Medallion Award winners were all exceptional students in the junior class. Categories of the awards included, Liberal Arts, Practical Arts, Vocational Arts, Fine Arts, and Math/Science.

The Hugh O'Brien winner for 1984 was Mary Robertson, a sophomore. Mary was chosen for this award because of her active participation in church activities, community projects, 4-H Club and soph-frosh yell.

The staff of the Matador won a First Place from Scholastic Associated Press Association.

El Camino Real staffers were proud of their First Place with Special Merit award from American Scholastic Press and their Silver Medallion award from the Western Association of Scholastic Schools Publications.

Executive Board Semester I

Becoming a board member involves an election to office, and an interview with the president. First semester president John Lawler did an excellent job in choosing a very ambitious and effective cabinet.

The Fall board began meeting in the summer and went right to work. Their first project was the "Teachers Survival Kit." Executive Board also serves to

help relations with the community through "Lunch Patrol." Once a month a committee of members toured the neighboring areas checking for waste left behind, and took action toward the problem. Board members also volunteered their time to work in the student popcorn booth during lunch.

Executive Board meets daily to discuss important details concerning the school and student body. The respon-

sibilities of the board cover freshmen orientation, dances, noontime activities, rallies, fundraising projects, the AFS show, and Back to School night. Perhaps the greatest accomplish for the 1983 Fall board was the Homecoming events. Alumni Chairperson Robert Strafelas organized and executed the whole show without a hitch.

Executive Board Semester II

The second semester of Executive Board was also a very productive team. With the new President, John Jurado, Executive Board selected activities for the spring quarters. These included the sale of "Candy Grams," For St. Valentine's Day, and "Create Your Own Button." They also sponsored the Asia Fair In February, which was organized by Clubs and Committees chairperson,

Kanoe Yim. Members of the California State Senate were greeted by the Executive Board and escorted to the assembly in their honor. Also in February, they had a meeting with the City Council.

Executive Board Semester II also planned the Freshman Orientation for 1984, and the "Olympic Festival" for the '84 Summer Olympics. Noontime activities and class competitions were

also based around the olympics to promote spirit and participation.

Dance goers were treated when the Spring Board held a St. Patrick's Day Dance with a guest D.J. from a local radio station. Another very special attraction was the attention-grabbing mixer which featured a twenty-foot video screen showing top rock videos.

The Executive Board participated in various Government Days. Cabinets from all over California collaborated to exchange programs, and gather new ideas. Without the leadership of the board, the school could not function with as much interest and enthusiasm from the student body.

The Executive Board wished to thank Dr. John Anderson, advisor to the board, and Mrs. Janet Stoneman for the guidance, support, and understanding.

Choreo

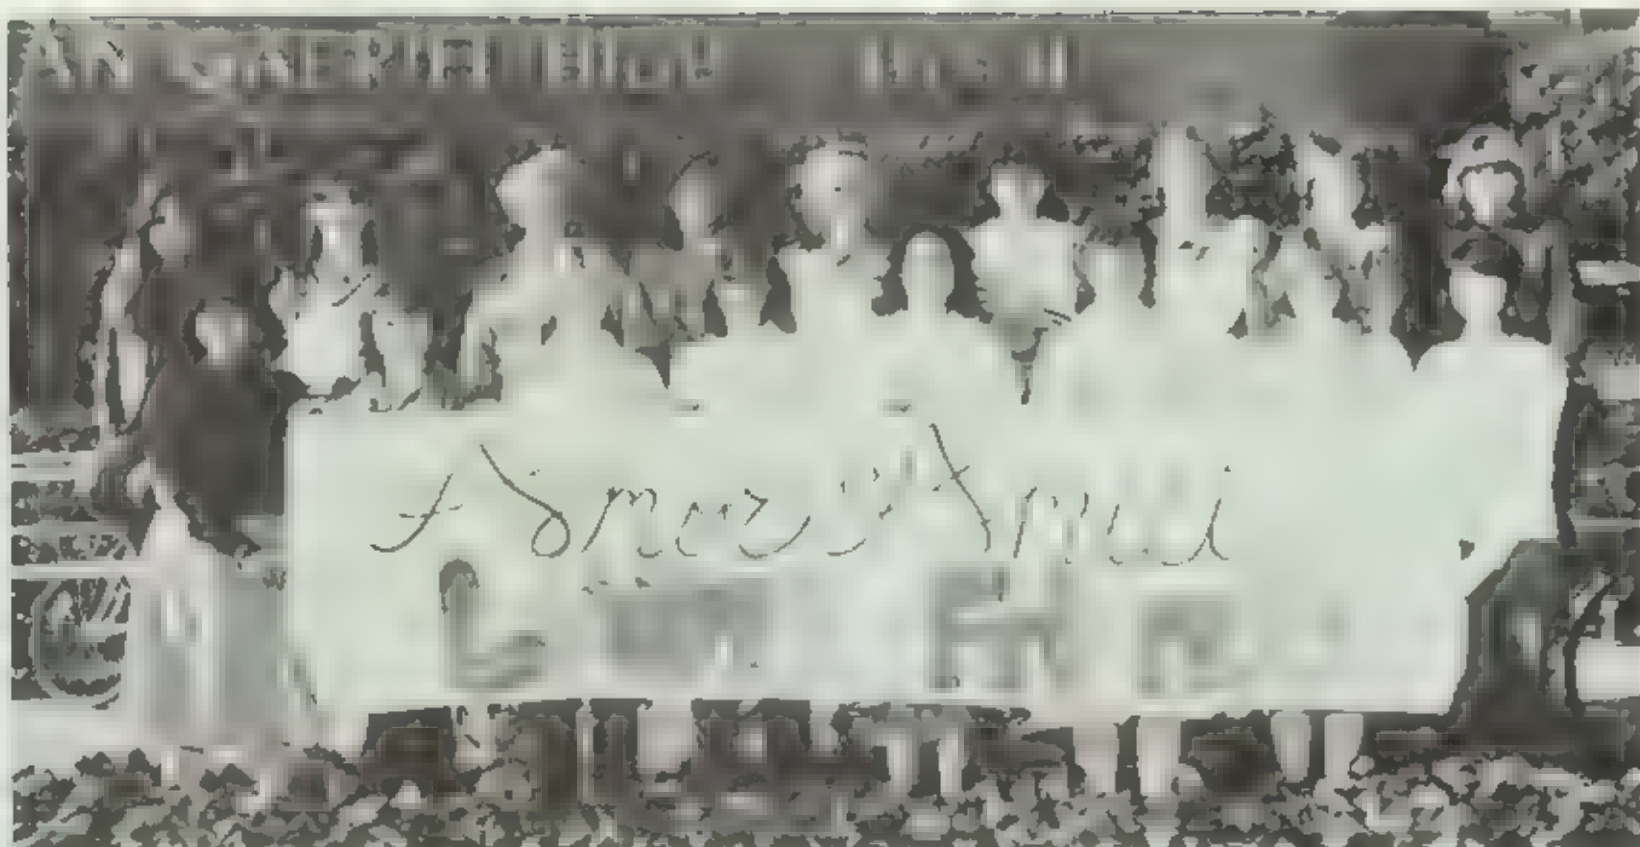

Choreo has had a very busy year of performances. They started the semester with their debut dance "Freakazoid" at Back to School Night. They entered an act in the AFS Show, danced during Open House, and, of course, headlined in their own mini concert. Choreo was also invited to perform in halftime activities.

Pep Commission

The members in this year's Pep Commission totaled 23, though they numbered slightly less than last year, their performance rivaled, if not surpassed, that of their predecessors. This year's Pep exemplified all the unity, enthusiasm and spirit that made San Gabriel's year great. Yet being involved in Pep can be extremely demanding with the time, energy, and effort it takes. But with the help of their advisor Ms. Vairo, the knowledge of the importance of their job, and just the fun of being in Pep itself, all the work was more than worthwhile.

Amor Amici

Amor Amici is a service club sponsored by the YMCA. Each month the girls had a service, religious, educational and fund raising activities. The service projects were the most important, so they really wanted to plan meaningful ones; ones that would aid those in need. Among other things, some of the activities were Adopt-a-Family, preparing a Christmas party for small children, and giving a scholarship to one of the members who was planning to go to college. Amor Amici means "Loving Friends" in Italian, and this year the girls did become good friends as well as better Christians.

Hualalei

Hualalei is a Tri-Hi-Y club affiliated with the YMCA. It consists of a variety of sophomore, junior, and senior girls. They had a busy and exciting year planning all sorts of activities. For example, they set up a coin tossing booth at the Alhambra Carnival, and they also submitted a float for the Homecoming parade. Throughout the year Hualalei tried to work close with the two other Tri-Hi-Y clubs, and they know that the Club-of-the-year award was a tough decision for the judges.

Kahana Kai

Kahana Kai is a community service club sponsored by the Alhambra YMCA.

Each month Kahana Kai performs a service, religious, educational, business and has a social. Some of these activities this year included adopting a child in India, sending clothes and games to an orphanage in Mexico, fund raisers at school fairs and an entry in the Homecoming parade.

The night of February 25th arrived as young hearts paired off to attend the annual Sweethearts Ball, which was held again at the Pasadena Center. Couples from Alhambra, Mark Keppel, and San Gabriel got together to attend this dance sponsored by the YMCA.

The theme was "Straight From the Heart." As the couples danced the night

away to music provided by the "Singles," Renee Montalvo of Amor Ameeci, and Maarit Rytty of Kahana Kai were presented as princesses to represent San Gabriel High School. The climax of the night was the crowning of the Queen, Diane Rutherford of Alhambra. This special evening will be remembered by all those who attended.

German Club

The German Club offers a cultural experience to students and provides a chance for students to get together for an exciting year of German related festivities. The famous Oktoberfest arrived with the beginning of the school year and the German Club members celebrated this famous tradition with a trip to a German restaurant in downtown Los Angeles where lots of singing and dancing took place. As the year progressed, the group participated in a car wash to raise funds for the annual ski trip at Big Bear. The trip took place in March and under the direction of Gwen Kerchoff, Club President, Chris Hauk, Vice President, and Lisa Wall, Secretary. The trip was a unique experience that instilled a "piece" of German in everyone who participated.

Spanish Club

This year's Spanish Club consisted of approximately fifty members. Ms. Terry Thompson was the club's advisor. They participated in the Homecoming Fair and the Cinco de Mayo Fair by selling food at a booth. The Spanish Club went on its annual Olvera Street field trip to celebrate Cinco de Mayo and to eat many foods from the Spanish culture. They planned the Hollywood Shorties game that took place at the end of March. At the end of the year, the club went to a Mexican dinner with the money they earned during the year.

United, We Can Master It All

MASO, the Mexican American Student Organization is a very active club at SGHS. Their main object is to raise funds for scholarships awarded to students with a minority background. One way they raise money is by holding a Coronation Ball that is always exciting each year. MASO is very successful at everything it does especially in its fund raising which provides scholarships to those who desire to further their education.

French Club

The French Club participated in many French-oriented events. These included visits to French restaurants and French movies. The fund raisers included selling drinks at dances and selling food for debate. At the end of the year the members went to the beach for a French picnic and Riviera frolic.

Vietnamese Club

The Vietnamese Club was an active group at San Gabriel High. Although it was rather small in size this year, they hope to get new members, and to get more people involved in their activities. The club was able to have many fund raisers, such as selling their native food at the Cinco de Mayo Fair and the Asian Week Festival. San Gabriel High was honored by the presence of March Fung Eu, the Secretary of State. The Vietnamese Club was chosen to purchase and present a gift to her during the Asian Celebration. At the close of the school year they had a picnic for all the members and it was a great way to end the semester.

Computer Club

Computer Club members believe that in today's society, computers have become the stepping-stone for the advancement and growth of the next generation. The purpose of the Computer Club is to promote and inform the public on the use of computers as well as to provide a link between current users. The club is only in its second year of existence but it has a high and ambitious goal. Some have said that in the next few years, the die-hard members will be establishing some sort of telecommunication service — but as of now, it is just a rumor. The club is headed by Tom Yen and their advisor is Mrs. Kathy Henderson.

Key Club

Key Club is a service club under the direction of the Kiwanis Club of San Gabriel. The members concentrate on doing services for the community and for SGHS.

This year, the members of Key Club kept themselves involved by painting lines in the parking lots to designate parking spaces and painting one of

the rooms on campus. They also took time off to play volleyball with a group of orphans. Not only did Key Club help with services, but, they also held some fund raisers, such as, having a bike-a-thon and selling mistletoe. These fund raisers enabled the Key Club members of SG to meet with the members from Temple City High School for a luncheon, and also to attend a convention in Anaheim.

IDIC

The Science Fiction Club, IDIC, is one of our most bizarre organizations at San Gabriel High. The club went to the taping of Family Feud, Benson, and Not Necessarily the News as fund raisers. The President, Tony Albers, and the Social Director, Robert Smalley, planned trips to Catalina Islands and Disneyland this year. They also had an ice-cream tasting contest and a science-fiction movie marathon. IDIC's theme was science-fiction, but the attitude they displayed was that of their underlined theme "INSANITY."

Chess Club

The Chess Club is an unusual club with very competitive members. Meetings are often held during lunch breaks to discuss new strategies and ideas. Tournaments were often held in MS-5. Members participated in many challenging matches during the year. In these matches, wits and talent were obvious in the brilliant playing of club members.

S.A.M.S.O.

S.A.M.S.O., Science and Math Students' Organization, consists of students who are interested in math and science. The requirements for membership include at least one year of science and two years of math. Interviews are conducted for freshmen that are interested in joining.

This year's president was Richard Kim. Under the guidance of Mr. Larry Kanow, the club planned to enter a project in the Science Fair, and they entered a float in the Homecoming Parade. They met once in a while to discuss various projects, and ways in which to confront their rivals, I.D.I.C.

Keywanettes

Keywanettes is another of the clubs sponsored by the Kiwanis Club of San Gabriel.

In the past years, Keywanettes has done many helpful services, such as, presenting Christmas plays for pre-schools and adopting a grandmother. This year, members of Keywanettes helped set up for Bingo which is held every Wednesday nights at SGHS.

Fund raisers are a major part of the club's activities. Some of their activities were holding a car wash and selling M&M's. The money raised helped the club members to attend a convention in Sacramento with many other Keywanettes from California, Nevada, and Hawaii.

Clubs in Action . . . What Do They Do?!

At S.G.H.S. there is great variety of clubs that students can join. Each has its own purpose, and each is equally as important. Many like to get involved because they want to become an active part of the student body. Extracurricular activities enable the student to participate in the planning of dances, Homecoming, elections, and many other important everyday occurrences.

There are approximately 50 on-campus clubs at San Gabriel. They range from Debate to Art Staff to the recently formed International Choir.

Whatever your interests are, there is sure to be a club or committee to suit you.

Concert Band is a group of intermediate musicians. These players have been training for about three years. Excelling individuals are invited to march and perform with the Symphonic Band. Eventually, all of the Concert Band will become members of the Marching Band.

Thespians

The International Thespian Society is made up of students who are interested in the dramatic arts. In order to become a member, one must accumulate ten points. These points may be obtained by playing various minor parts or by playing one major role in school productions. One must also be selected by the members to join the group.

This year, Thespians displayed their acting abilities by performing in one act plays as well as "You're a Good Man Charlie Brown." The group was also able to view other actors by attending plays in Los Angeles and at local universities.

Ms. Robyn Morgan was advisor of this active group and president was Gertrude Stein.

Stage Crew

The members of the Stage Crew, under the direction of Mr. Heape, are responsible for all of the school activities that are performed in the auditorium. They work hard to insure the success of each performance and assembly. They control the lighting and the audio aspects. They make and move props, and they make it possible for shows to run smoothly.

The international chorus was invited to sing on board the Queen Mary at the National Music Educators' Convention this year. This was a great honor for them especially since they speak little English.

Stretcher Crew

Stretcher Crew is used only in case of school emergencies. At the sound of the bells, they immediately leave class and report to the Health Office, where they are instructed as to where the injured student is. There they work as a team in lifting and transporting the injured to the Health Office. There are more members than usual this year. The Stretcher Crew is a part of the Search and Rescue Team.

The only requirements to join is one must be, or have been enrolled in a business course at San Gabriel such as typing shorthand accounting etc. The club went on many educational field trips, such as the TV program, "People's Court" and Lawry's California Food Center. The main activities of the club were fund raisers such as selling M-n-M's, See's suckers, Valentine and Halloween Grams. The money they raised was used to send the members to the annual F.B.L.A. State Conference in Sacramento. Many of the members were able to go and they all had a wonderful time.

Matador Staff

The San Gabriel High School Matador Staff is made up of students who use their creativities and writing skills to publish the school paper, The Matador. This year Mrs. Joyce Uphoff took over as the advisor of the staff. She helped the staff to produce an interesting and informative publication as in the past years. In order to produce the newspaper, they used various articles, photographs, and captions.

To qualify for the positions on the Matador Staff, the students must have taken at least one semester of Journalism and have learned the basic writing techniques and skills. Dennis Arguelles was the editor-in-chief of the staff.

Quill and Scroll

The Quill and Scroll is an honorary organization. It is directly connected with the Matador. To qualify for this organization, one has to be at least a junior and a member of the Matador.

The organization was designed for the members to participate in activities involving journalism. Journalism contests and the learning session about the field of journalism were some of their activities.

The advisor of this prestigious organization was Mrs. Joyce Uphoff. The President was the Editor-in-Chief, Dennis Arguelles. The other positions were covered by the other editors.

A few of their activities included the blood-mobile which was held in November and June. They gave scholarships to senior girls who are members of the league. The girls raised money selling refreshments at Back to School Night. Girls League also hosted the annual Father/Daughter Banquet. This banquet was invitational to all girls in school.

SPELL

One of our newer clubs at San Gabriel High School is the Society for the Preservation of English Language and Literature, S.P.E.L.L. as it is known around campus. This year the club was advised by Mrs. Mules and Mrs. Traylor. But the organizer is its president, Delsa Fortich, junior. During the year the club traveled to many different places, the most interesting was a trip to San Diego for three days to a fair. All the members enjoyed this event greatly.

This year's Thespians put on "You're a Good Man Charlie Brown." The advisor, Ms. Morgan, and director, Dennis Anderson, worked hard and it showed, the performance was fantastic! The cast included Ted Giandomenico as Charlie Brown, Kathleen Peterson as Lucy, Patrick Keyser played Linus, and Jan William was Patty. Schroeder was played by Rudy Lima (AFS student) and Robert Vega played Snoopy.

The play was centered around Charlie Brown, all his friends put him down and made fun of his coaching. It showed how lonely he was and his anxieties about a little red headed girl that he liked. The show concluded with Charlie Brown's friends saying, "You are who you are Charlie Brown, there is no one else like you in the world." This made him happy.

The stage crew was a great help in the show by creatively setting up the stage as the audience was a part of it. This play was one of the first shows the group had done and it was a large success, selling out both nights.

Sol y Sombra

Each year, a group of students produce and publish the SG magazine, Sol y Sombra, for just a dollar. The magazine this year was filled with creative works, short stories, poetry, drawings, and pictures. These works were contributed by the students of SGHS. Patrick Keyzer, Editor-in-Chief, and his staff presented this magazine to the SG students in May.

Activities Committee

The activities committee is in charge of organizing various school-related activities. Preparing for campus fairs includes encouraging clubs to participate, and helping them set up fund-raising booths. The committee's major responsibility was the organization of school dances. The students assisted decorating the gym, deciding themes, and providing music.

Ensemble

The ensemble is a "0" — period class for musicians interested in playing orchestra instruments. It is made up of string players, violins and basses, guitarists, and pianists. Along with the Symphonic Band and the Concert Band, the Ensemble is conducted by Mr. Wayne Hoard, a dedicated music teacher who is interested in the students and their desire to play music.

In addition to other stage performances and concerts, the Ensemble was the performing "pit" orchestra for the Spring Spectacular, "Grease".

NFL/Debate

National Forensics League is an honorary for competitive debate and speech. Students must maintain high academic standards while competing in events sponsored by the Southern California Debate League, the California High School Speech Association and the National Forensics League. High Points for 1983-84 are Christine Williams, Brian Hupp, Angela De Cristofaro, Carmela Oliveros and Tom Yen. Officers are President Williams, VP Hupp, and Secretary De Angelo. The year began with a sweeping victory and trophies by the Hupp/Williams team debate at UCLA who went 6/0 to place fourth in the final rounds.

Peer Counseling

Peer Counseling is a group of established by Ms. Mary Farrell and Mr. Mike Donnelly, counselors. It is designed to train students in counseling techniques so they can help other students deal with typical issues that confront teenagers.

Students for this group were trained in a 5th period class. After training they were each given a counselee to work for the rest of the year.

Elections Committee

The Elections Committee is the important organization that is behind all the elections during the year. They are responsible for the collecting and counting of the votes for the ASB officers and class council members, as well as for Pep Commission, Homecoming Queen and dance court elections. Most elections were held during lunch except for the ASB candidates elections which was held in second period classes. This classroom vote resulted in a large proportion of the student body participating in the election process.

Art Staff

Being a member of Art Staff involves engaging in a considerable amount of creative work. The staff works to create an artistic atmosphere about the school. The members of the staff share a common interest in creativity. The staff contributes to many of the school functions, including the school dances. They purchased and arranged the necessary decorative materials for the Homecoming Dance, several mixers and the Winter Ball.

Alumni Committee

The Alumni Committee's main function is to put together Homecoming, and each year the Alumni Committee tries to think of new and exciting ideas that will make the year's Homecoming better than the year before. As a result of the ingenious ideas of Robert Strafeldas, the committee's chairperson, the highlight of Homecoming came when a parachutist fell from the sky to announce the name of the Homecoming Queen. Last year's Homecoming was the most exciting one in a long time.

Half of the money made is given to the Scholarship Fund, and the other half to the winner of the drawing. During the year, Courtesy Committee acts as ushers at school events. At the end of the year, they are at graduation ceremonies taking tickets and making the event run smoothly.

Assemblies Committee

The Assembly Committee did a fine job this year in setting up and helping in many of the assemblies. The main concern of the committee was to make a seating plan for all the classrooms. Also, they discussed all assemblies with Dr. Anderson to be sure that they would run smoothly. Cathy Lee, Chairperson of the Assembly Committee, gathered new ideas about different kinds of assemblies from the committee. When needed, they also wrote scripts and often watched doors.

This year has been very special for me. I want to thank all of my teachers and coaches for helping me. I also want to thank all of my American friends for making me welcome to your country and for all of those exciting, joyful, nice and sometimes even crazy moments that I shared with you. I will always remember you all.

With love,

At the end of my year as a foreign exchange student, I would like to thank everyone that has shown to me so much kind consideration and friendship.

Among the many experiences and impressions I got, America's great congeniality will be the most important thing I shall remember. It is great to see so many ethnic groups in one big country. America is unique.

*Margot Naegelé

In 1982 I decided to go to the U.S. because I thought it would help me with the English language. Then the language wouldn't be as hard in my home country, Denmark.

When I came to San Gabriel High School, I found out that school is a lot easier here. The way of teaching in my country is so different and you get at least three to five hours of homework everyday.

But, anyway, I like S.G. it has helped me with a lot of other things I didn't know, and I feel that being away from your family and friends gives a lot of maturity.

This year had given me an experience in the way of American life. Like everything here, but it can never be better than my own country.

My year at San Gabriel High School has been a great experience for me. I have had a very good time here and have learned very much. I feel my A.F.S. year has helped me to break stereotypes and to understand a different culture. I would like to thank everybody who helped to make my year here possible and I would like to especially thank my friends who helped me to have such a good time.

Goodbye San Gabriel, I will not forget you.

The four foreign exchange students this year, Maarit Rytty from Finland, Margot Naegele from Germany, Claus Olsen from Denmark, and Rudy Lima from Brazil, have all enjoyed their stay in the United States. Their various hobbies include skiing, dancing, camping, and traveling.

The biggest change in their lifestyle is the fact that drinking is illegal here for them. They love their families and friends here and will miss them when it is time to return to their countries. San Gabriel High School had enjoyed their stay here and will miss them when they leave.

The committee of the American Field Service, AFS committee, is responsible for raising money for the American Foreign Exchange Students. The students go all over the world for either a summer or a school year and learn about that country. The AFS committee make this and other things possible by having fund raisers such as the AFS Show was called the World of Entertainment. It presented acts from different countries. Choro represented the Asian countries by performing a Japanese Fan dance and a Chinese Ribbon dance. The famous San Gabriel High football team performed the notorious dance from France, the Can-Can. Dressed in netted red skirts and plumes in their hair, the team was the highlight of the show. The German Club put together an Oompah Band and the Chinese Club did the traditional Dragon dance. Some students sang "Shud-uppa Your Face", and one talented girl did a Belly Dance. Overall the whole show was a success and everyone enjoyed participating.

When it comes to school spirit, no other school can match the spirit of the students and faculty at San Gabriel High School. For everyone involved, Halloween proved to be a favorite time to show their vivacious spirit.

The Halloween week was a busy one, which started off with a pumpkin carving contest among all of the classes. Two people from each class were given the entire lunch period to carve their pumpkins while students from their classes cheered them on. When it was all over, Angie Chen and Alan Shen won the contest for the Seniors.

When Halloween finally came, everyone was ready for it. San Gabriel's campus was crowded with a multitude of ghosts, witches, goblins, and monsters, all waiting for the annual Senior Court Costume Contest. The students and faculty all waited in anticipation, hoping that their costume would win. When it was over, these were declared the winners.

What Some People Will Do to Avoid the Cafeteria

At lunchtime, all of San Gabriel's students managed to find their own special place to eat lunch and catch up on all the latest news. Many of the students took advantage of San Gabriel's open campus by walking or driving to the nearest fast food places. The only difficult part of driving out to lunch was getting out of the frenzy of cars in the lower parking lot. Everybody was always in such a hurry to eat, that even normally courteous drivers became raging maniacs. Once the students escaped the parking lot, they either went to Chris', Taco Bell, Carl's Junior, Angie's El Burrito, or other various places. No matter where the students went, they always enjoyed themselves because good friends were near.

The 1983-1984 Pep Squad consisted of twenty-six girls. Although the squads were small, they were successful in promoting school spirit.

The U.S.A. Camp in Santa Barbara was not full of leisure, it included a lot of hard work. They were evaluated and awarded pennants and ribbons according to their excellence. The yell squads brought a spirit stick home with them, which is the highest award granted at the camp. Camp prepared Pep Squad for the beginning of the 1983 school year.

School started out with lots of spirit as Pep Squad welcomed the class of '87 to San Gabriel High School. The enthusiasm continued through football season as they cheered the team on to victory. They also supported the fall sports by

making signs and cheering at home games.

Basketball season also kept Pep Squad selling spirit ribbons at every game. Soccer was not forgotten because there was cheering at each game played at San Gabriel.

In the spring, competitions and seasonal sports filled up Pep Squads' schedule. Towards the end of the year, the girls were busy preparing try-out routines in order to choose an excellent Squad for next year.

The 1983-1984 Pep Squad came a long way from last year's tryouts. They thanked advisor Robyn Sharp for all her help and understanding throughout the year. Their spirit and enthusiasm assured the student body of a winning year, and that's what it was.

This year's grand marshal is Mike Krukow of the San Francisco Giants

One week out of the month of November is filled with special tradition and meaning for the students of San Gabriel High School. This is Homecoming Week, where many students are able to participate as well as the SGHS Alumni who take time out to attend the Homecoming game and dance.

On Thursday, November 10, the pep rally began as the student body filled the seats of the lower field. There were many winners to uphold the theme of this year's Homecoming, "Little Victories." The parade commenced the rally and soon introduced the winning court of girls and their respective teacher-escorts, Mr. Kanow, Mr. Mayoral, Mr. O'Neil, Mr. Reynolds, and Mr. Riggio. Another special participant of the parade was grand marshal, Mike Krukow, a former San Gabriel High School student, and now a member of the San Francisco Giants.

There were other "victories" as well for NFL whose float emerged as the best and most appropriate to the theme.

During lunch, S.G. students had another chance to absorb the excitement of this big day as Senior Court featured the Homecoming fair. There were many booths sponsored by clubs and committees who sold foods, class buttons, balloons, and other items. There was also entertainment for everyone on Freshman Court which was provided by the band Uncensored.

The grand finale occurred later that night at Moor Field. The color, the crowds, the feeling of excitement, and the crowning of this year's 1983 Homecoming queen, Julie Longo, made the win over the Alhambra Moors football team an even greater accomplishment.

As the Homecoming of 1983, "Little Victories," came and regrettably passed, the students of San Gabriel High School reminisced over the week and were proud to know that they had been a part of the S.G. spirit.

The 1983 Homecoming Queen Julie Longo served as Vice President of SGHS. She also presided as President of Kahana Kai and participated as captain of the Varsity Swim Team for two years. Julie was nominated by the Varsity Football Team and felt that being Homecoming Queen was a dream come true.

Princess Katherine Gebhardt participated in various activities including Song, A Cappella Choir, Amor Amici and Peer Counseling. She was a

dedicated Vocal Band President and Pep Squad Head. Katherine was nominated by the Junior Class Council.

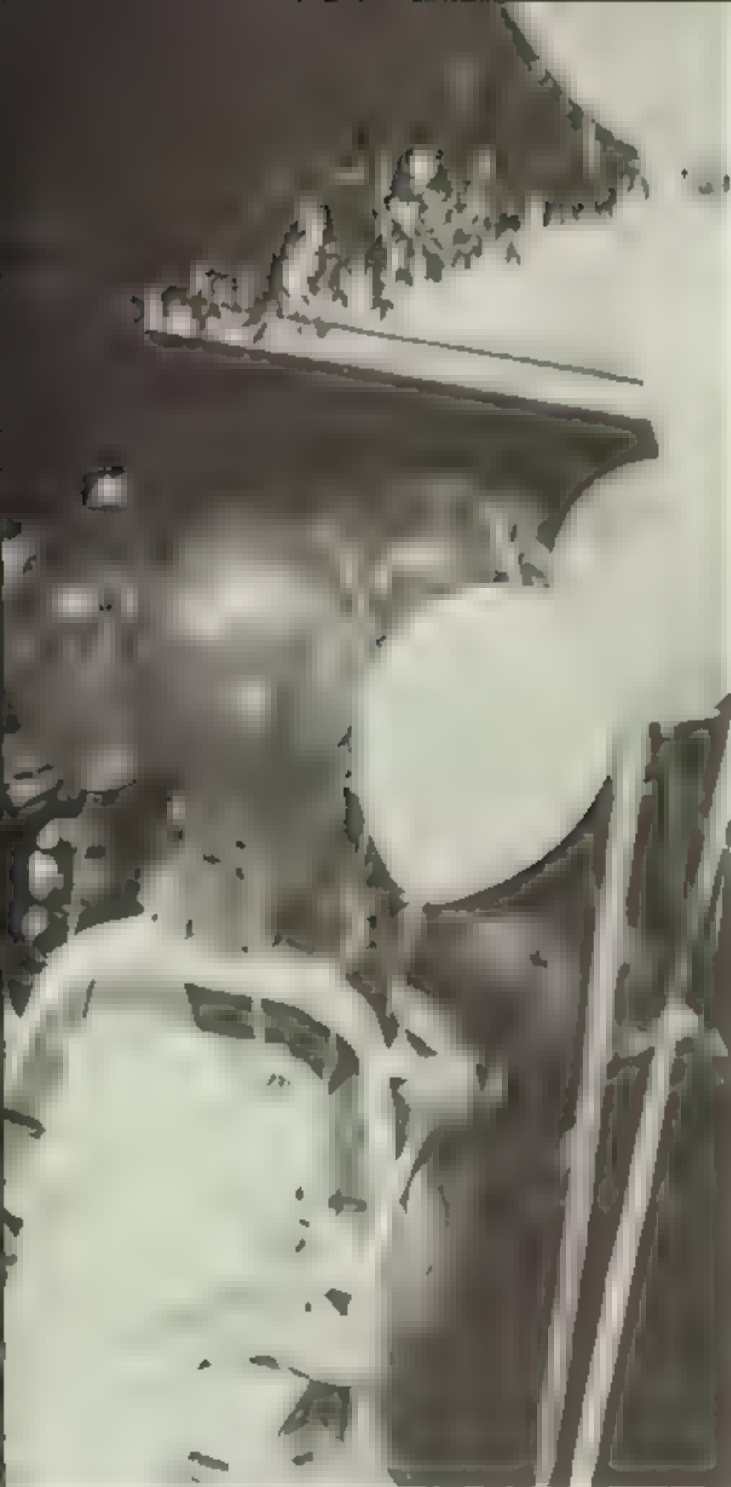

Being a faithful participant of Choreo, Princess Karen Anders was nominated by Choreo. She was also a songleader and was in CSF, Amor Amici and the German Club. Karen was overwhelmed with joy when she found out she was elected for the court.

Princess Peggy Bradley was nominated by the Varsity Tennis Team on which she was a valuable player. She

was on Varsity Yell, in German Club, and she was the President of CSF. Peggy also spent an enjoyable summer at Girls' State where she represented SGHS.

Princess Aurora Amores was involved in A Cappella Choir, Vocal Band, CSF, as well as being a songleader and Pep Squad Head. Aurora was nominated by CSF, and she has maintained a 4.0 GPA throughout her four years at SGHS.

1983 Homecoming Events

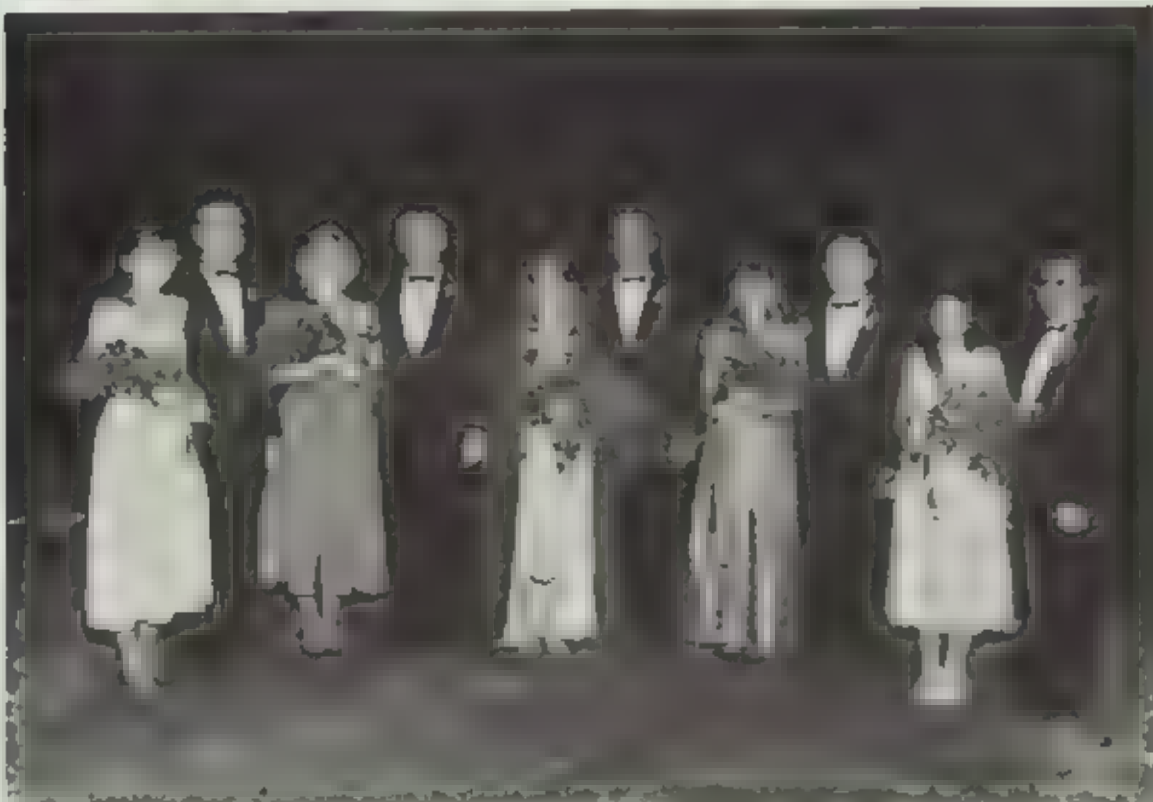

Homecoming is full of traditional events from the morning parade to the crowning of the queen. This is a time when enthusiasm is at its peak, when old and new students can show their S G H S spirit.

For the new students, this event will

make a fond memory, but for the alumni, it will bring back memories of their four years. Homecoming is an event for all the classes who will one day come back to San Gabriel as alumni to see fresh faces gathering the memories as they did

With Pride In Our Performance

This year's Vocal Band and A Cappella Choir consisted of sixty-five talented singers. Mr. Reynolds stated, "In my six years of teaching at San Gabriel, the singers are the best I've seen." the choir sang with enthusiasm throughout the year.

During the Christmas season, Vocal Band and A Cappella Choir had fifteen performances in the community. On December 14, the singers sang on campus in the spectacular Winter Concert. In the spring, the singers went to different festivals, which were a type of competition. For the past four years, the choral groups have been putting on a Latin Mass. This year's concert took place in the Old Mission. The concert kicked off the 1984 Singing Tour. Vocal Band and A Cappella Choir traveled up the coast stopping at different missions. Their final stop was at Carmel. This trip was an exciting experience for all those involved. They sang beautifully throughout the entire trip.

Later in the year, they amused all by performing a Gilbert and Sullivan Opera. In May, groups of singers and soloists sang in a pop concert. This show featured many talented individuals. To end the year, the vocalists had a banquet to relive the memories.

"Order in the court. All rise" These words became very familiar to the San Gabriel High School Debate Team in the past school year. During the months of November and December of 1983, the team participated in the Constitutional Rights Foundation's Mock Trial Competition, placing second in the Los Angeles County.

A "Mock Trial" is a simulation of an actual criminal trial. Students play all roles in the trial except that of the judge, which is played by an actual judge or by an attorney. Mock Trial competitions are commonplace in prominent law schools throughout the country.

The Mock Trial Competition that San Gabriel High participated in was the third annual competition sponsored by the Constitutional Rights Foundation, a group dedicated to promoting knowledge of our legal system. Also sponsoring the competition were the State Bar of California, the California Young Lawyer's Association and the Los Angeles Daily Journal.

A lot of hard work went into preparing the team for competition. First, four members of the team that consisted of Brian Hupp, Christine Williams, Paul Chamness and Angela DeCristofaro attended an orientation meeting at the Los Angeles County Courthouse. There, L.A. County District Attorney, Richard Chrystie, handed out the "People vs. Larson" case materials which he authored. These materials contained a basic fact situation which outlined the events of the case and also 8 witness statements which were to be used by the team. Each Mock Trial Team consists of 8 witnesses, four prosecution and four defense, and three attorneys.

The 1983 Mock Trial case was the "People vs. Larson". In this case fictional Centerville High School was experiencing a serious drug and alcohol problem on campus. Valarie Garcia (played by Beth Walker), principal at Centerville High asked an undercover police officer Donna Butler (played by senior Lisa Fincher) to find the source of the drug problem. Officer Butler met Charles Clark (senior Paul Chamness) as they both were members of the high school band. Also a member of the band was Jeff Larson (senior John Lawler) in whose car some qualudes were found. Donna Butler then took the qualudes to John Maxwell, police chemist (Kyle Kehner senior). Later Mrs. Emily Larson (freshman Carrie Johnson), Jeff's mother, Michelle Kim (Margaret Tsoi-A-Sue, freshman) friend of Jeff Larson and Alex Dubrowski (Kyle Kehner senior) the band director appear in the case.

Also an important part of the Mock Trial Competition are the student attorneys, Brian Hupp, Christine Williams and Angela DeCristofaro. Brian Hupp did the opening and closing statements on Prosecution and Christine Williams did the opening and closing statements on Defense.

Also crucial to the Mock Trial Team were the teachers, lawyers, and judges who dedicated their time and energy to helping the team. Miss Shoemaker the debate coach spent many hours researching the legal system and the Mock Trial competition to aide the team. Judge Hupp dedicated many hours working with the team which all team members deeply appreciate. Also helping the team were Attorney Araujo, Defense Attorney Ray Fountain and Public Defender Al Neisenbergh. In the final round of the Mock Trial Competition Mr. Mount and Mr. Reed provided support for the team.

The Mock Trial Competition was a very rewarding experience and placing second was a thrill for all involved. It provided the team an opportunity to learn not only about the legal system but communication and teamwork.

As the annual Blue and White Basketball Games began on November 23, 1983 at 6:30 P.M., all the basketball teams, from freshmen to faculty, were given a special chance to display their talent. The turnout of people was not as great as expected, but from the reaction of the spectators in the stands, the games proved to be quite entertaining.

To start the night, the Boys' and Girls' Underclassmen and J.V. teams played for just enough time to show what they could do on the court.

Next, the Lady Matadors, the Girls' Varsity Basketball team, showed what champs are made of as they performed.

Soon after, the spotlight was turned to the Boys' Varsity Basketball team and the team made up of the faculty of SGHS. They made their debut of the season and battled it out on the basketball court. With their speed and ability, the Matadors outplayed the faculty team with a score of 39-25.

At half time, Pep Squad gave a rousing performance by switching squads to execute their routines.

To bring the night to a conclusion, there was a Blue and White Mixer well attended by students.

King Apodaca and His All Male Court

In addition to the Sweethearts Ball and the Prom, the students at SGHS had another opportunity to get dressed up and enjoy some dancing. This was at the Winter Ball which was held at the Arcadia House on January 6, 1984. Something different was tried at the Winter Ball in that instead of having a queen and her court, there was a king and his court. Alex Apodaca was crowned King at the dance, and his court consisted of George Graziano, Mike Sweeney, John Lawler and Fidel Fortsch. Everyone seemed to enjoy the change from queens to kings, especially those honored. All in all the Winter Ball proved to be a great success and hopefully it will be the start of a new tradition.

The 1983 Maso Court

The Mexican American Student Organization (MASO) from Century Mark, Keppel, Alhambra, and San Gabriel High Schools held their annual Coronation Ball at Casa Loma on December 17. It proved to be a great success because it was well attended and Mrs. Bacio, the advisor, said that

everyone had a delightful time.

The 1983 MASO Court consisted of Queen Lilian Garcia and King Manny Del Rio, with Edith Gonzalez, Audrey Martinez, Yolanda Garcia, Eileen Higuera, and Felecia Mendoza as Princesses, and Javier Jara and Joseph Mora as Princes. The court was chosen

by the amount of tickets that they each sold for the Coronation Ball.

MASO is a service club on campus whose main objective is to raise funds for scholarships and community projects. MASO's goal is to encourage students to further their education.

Ladies" in Grease.

Dennis Arguelles loves to be Teen Angel because he gets to be in love with him.

"Grease" turned out to be one of the most exciting productions to come out of San Gabriel High School in the past few years. The popular Broadway musical was very well executed by fifty-seven talented actors and dancers. The production was well supported by a sizeable amount of volunteers for the costumes, make-up, props, sets, and publicity committees. Also, the Ex-

ecutive Board sponsored a 50's Day with a lunchtime band, Cashmir, who got the student body Be-Boppin'. From day one, Grease, was looking very promising, and everyone wanted to get involved and be a part of the action.

Auditions for the show began in February, and lasted for two weeks, which is a great turnout for the production of this caliber. Once the cast was chosen, the show went under full steam with an eager company and excitement in the air. Grease brought a lot of new

talent out of the woodworks to the Drama Dept. Although there were many veterans of the stage, the majority of the cast were underclassmen. Everyone involved had fun preparing for the musical, but it did entail a lot of hard work also. Mr. Ron Heape, Overall Director, who has been overseeing the Spring Spectaculars for three years now, was very pleased with the amount of effort demonstrated. Nancy Hayami acted as the Student Director and Kim Ashby worked as Accompany

Stage Manager

"As a senior", says Nancy, "I wanted to do something BIG in my last year, so when the opportunity arose, I grabbed it not quite knowing what I was getting into. It was so exciting! I'm glad I did it!"

The show owes special thanks to Russell Stewart and Mrs. Steinhour for choreographing the dancing, to Mr. Reed for his professional "two cents", and to Mr. Hoard and his Ensemble who performed the music in the "Pit."

Without them, or the work of the Stage Crew headed by Dave Graves, the show would not have been complete. They did an excellent job of bringing us back to the 50's, and turning S.G.H.S. into Rydell High, greasers and all!

They all devoted a lot of time and energy to make the Spring Spectacular the best it could be. The cast and directors' hard work paid off when the final result of Grease was performed on May 10, 11, and 12 to full houses of delighted patrons.

Spirited fans assembled on the lower field to watch the Seniors and the Juniors battle it out in the Powder Puff game on March 9th and each team was eager to gain the victory title. As the two all girl teams made yardage, fumbled and blocked up and down the field, they were cheered on by an all male cheerleading squad. The spectators even admitted that the cheerleaders were more entertaining to watch than the game. Various touchdown attempts were made during the game and the final score was 18-6, in favor of the Seniors.

Both teams trained hard for the two previous weeks and everyone had aches, pains as well as bruises to prove it. The cheerleaders had perfected their routines and really showed us their stuff at the pep rally earlier that morning. Everyone made Powder Puff an entertaining and exciting event, once again, showing that SGHS spirit is the best!

Clockwise: The Senior Cheerleaders are unsuccessful in their attempt to make a pyramid. Senior Carrie Post tries to get the ball from Delsa Fortich to stop her from making a touchdown. A Haiku poetry contest was held in the English classes. Vice Mayor of San Gabriel Jeanne Parrish, judged the poems and awarded first place to Edith Arguelles. Nini Chow won second place and Dustin Fain was third place winner

The origami display, which decorated the library cases, was provided by Japanese-American students

A special assembly presented the Elizabeth Waldo Ensemble in a delightful program of music and dance from the Chinese Provinces

The final day of Asian Week was an exciting one for all. Secretary of State March Fong Eu came to school to speak at an assembly. She was greeted by the School band and Student Body President John Jurado. Other honored guests at the assembly included: Dr. Bruce Peppin, Superintendent of Schools, Louise Bunker, Mayor of Alhambra, Lily Chen, Mayor of Monterey Park, Ed Lara, Mayor of San Gabriel, Jeanne Parrish, Vice Mayor of San Gabriel

The assembly began with a group of American songs presented by the international Chorus under the direction of Mr. Mike Reynolds, choral teacher

Dr. Eu's speech was based on the theme of Asian Week "Celebrating One World." At the conclusion of her speech, Dr. Eu was presented with flowers from the Chinese Club. Presenters were Sabrina Lin and Michelle Ha. Linh Nguyen presented a painting from the Vietnamese Club

The week long celebration concluded with a Faire. Foods from all over the world were sold by various clubs and committees

Faculty

Leadership Reaches the Gold

Administration

The administration is responsible for the success of San Gabriel High School. The principals work as a team to insure this success.

Mr. Mount enjoys working with the students and faculty, and likes to help people feel successful. Even though he dislikes all the paperwork that accompanies his job, he completes all the responsibilities. He involves himself in seeing that all systems on the campus work to the benefit of the students.

Mrs. Mascorro is in charge of the counseling staff and the school curriculum. She coordinates all academic activities of the school. She oversees the formation of classes and is in charge of registration.

Dr. Anderson is the strength behind all school activities. He assists and supervises all the games and dances. Another part of his job is being advisor to Executive Board.

Administration: Dr. John Anderson, Mr. Jack Mount, Mrs. Sandra Mascorro

The Board of Education

The job of the Board of Education is to construct school policy. There are five board members elected alternately, three at one election and two at the next. A president and vice president at the bi-monthly meetings.

The Board oversees the supervision of the district teaching staff, conditions of the school buildings and materials needed by the schools. They attempt to provide for many years to come.

The Superintendent and his assistants are the people who carry out the school policies decided by the Board of Education. They work in close relationship with the Board and attend all meetings with the Board.

The superintendents strive for the best in order to maintain progress in the future. They develop new educational programs, and continue with the established programs, which are best for the students' interests.

Dr. Bruce Peppin is District Superintendent. There are four Assistant Superintendents: Mr. William Pickford, Finance; Mr. Heber Meeks, Curriculum; Mrs. Rose Bard, Personnel; Dr. Gordon Naylor, Pupil Personnel. Mr. Bard and Dr. Naylor are new superintendents this year. Mrs. Bard is new also to the District. Dr. Naylor had been in administration previously.

Shakespeare Hunters Find the Gold

Mrs. Henderson's proud hunters prepare to follow clues

Sometime during March, one might have noticed some frantic sophomores running through the halls and corridors in ridiculous medieval costumes. These students were participants in Mrs. Kathy Henderson's annual HUNT.

The HUNT was developed by Mrs. Henderson several years ago in order to promote the usage of Shakespearean knowledge. The HUNT consists of various stages. In order to participate, one has to pass a series of elimination games. This period is extremely frustrating, since there are only 25 places and three times as many people trying to get in. If all the opening games are completed successfully, then the participant has won a place in the long awaited HUNT.

At the beginning of the HUNT all the participants are asked to think of elaborate names that are to be used while on the HUNT. Such names as Brionius, the Earl of the Seven Isles of Huppacia (Brian Hupp); Duke Doti of Devon (Larry Doti) and Princess Lisa Grances of the Holy Roman Empire (Lisa Lovio) were used in the HUNT.

The HUNT began on a Monday and to add to the spirit, many of the entries were elaborately costumed in medieval outfits. The most extravagant costume belonged to Cid Ruesga, who was dressed as a knight complete with mesh and shield. At this point, the participants were extremely excited and fully prepared for the obstacles that lay

before them.

The object of the HUNT was to be the first to solve all the Shakespearean clues. It began with a clue which was divided into two parts. The first part gave a reference to a particular teacher and the second part referred to an object that the hunter was supposed to ask the teacher for. For example, the first part to the clue read "*Antony and Cleopatra* II, 1,24" and the second part read "What makes men mad in *Orthello*, Act 5.11." The contestants then put to use their handy-dandy *Complete Works of Shakespeare*, which they had been lugging around, and solved the clue. If correct, the hunters asked Mr. Cook for the moon.

After completing approximately twenty of these clues, the individual or team ran to Mrs. Henderson with all of the objects collected on the hunt. These various objects included eyes, hearts, roses, moons, lips and other weird and strange items from various lines of the plays. Mrs. Henderson awarded points to the winners and these points were added to the final grade. First place received 50 points, second 40, third 30 and all others who completed the game received 20 points.

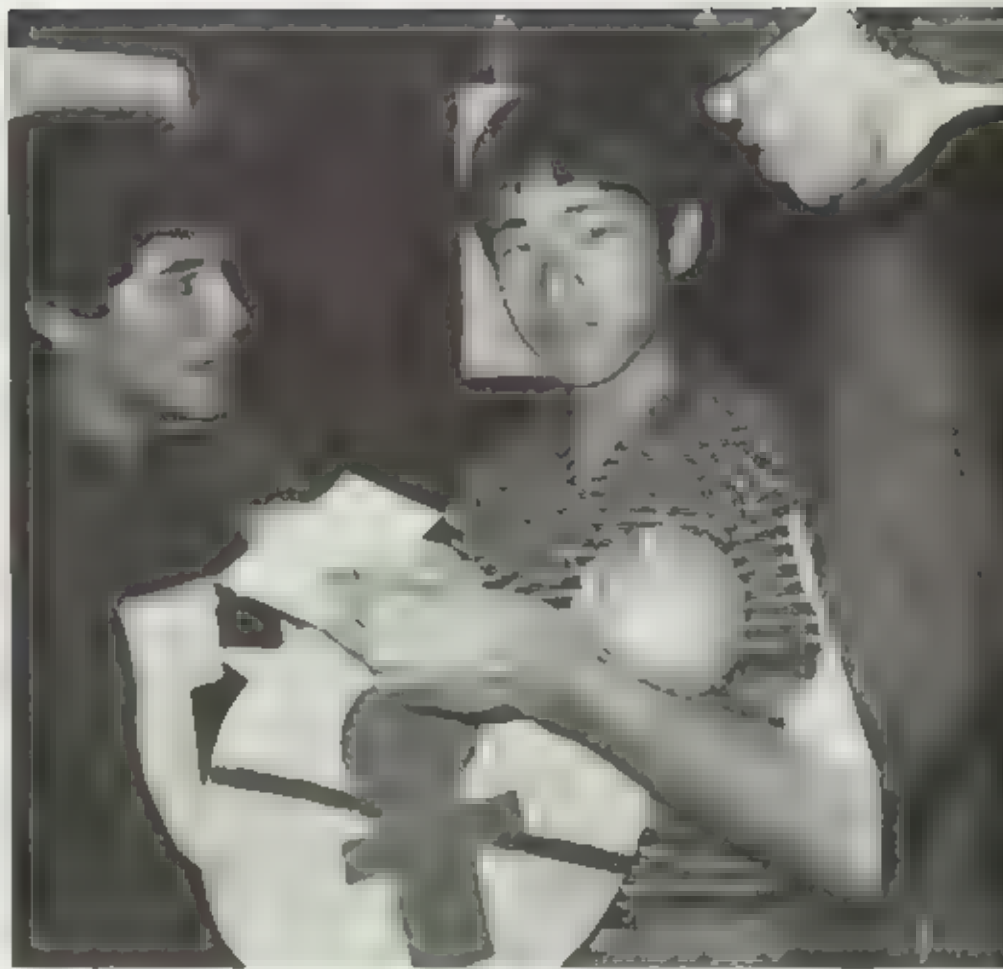

The fortunate first place winning team consisted of Eileen, the Seductress of Sommerset (Eileen Jack), Lara, the Seductress of Scone (Lara Pencis) and Squire Strafels of Scury (Robert Strafel).

Scott Ferguson and Peter Altene were the first to solve the first clue.

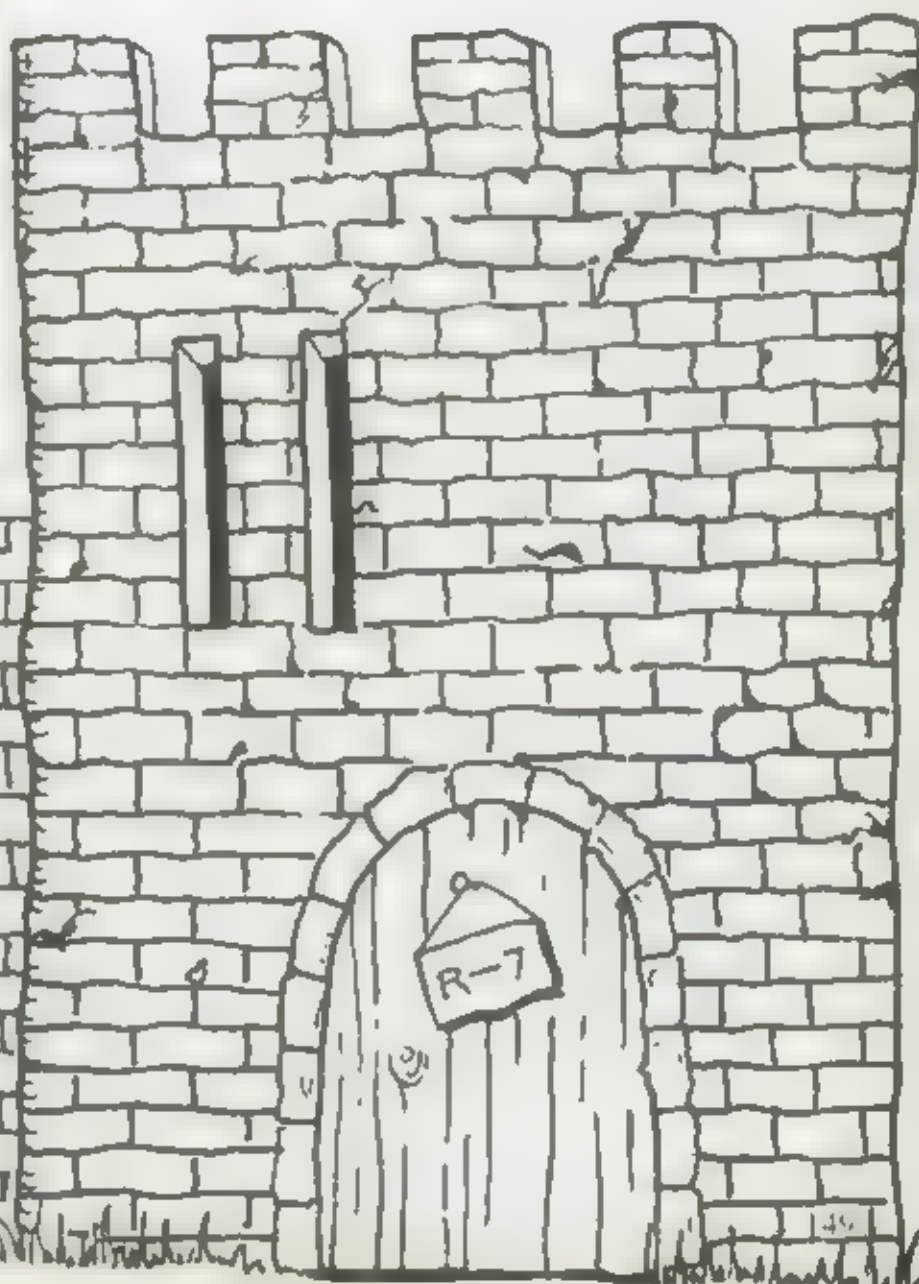

Lisa Low, C.J. Raesga, Eileen Jack and Angela DeCristina contemplate the obstacles ahead.

Earthquake Drill Alerts All

Earthquake Drill

Early in the Fall semester, students and faculty at San Gabriel participated in an earthquake drill. Preparation for this drill began with a lecture and film strip shown to all faculty and classified personnel on campus. The film showed possible actions to be taken by various groups on the campus. Mr. Steve Kornfeld discussed the unique location of San Gabriel High and the possibility that the campus could be isolated in such a disaster. Plans for the actual drill were presented and tasks assigned.

An assembly for the entire student body was held the day before the drill. Students were shown a film strip and given instructions for the drill the next day. Maps were posted in each classroom and these showed the route to be taken to the lower field.

Teachers reviewed the steps of the drill. When the bell for the drill was to be sounded, all students and teachers were to take cover under desks and tables. They were to remain in this position until the signal to go to the field.

Counselors and other personnel were assigned to check in teachers at the field stands and to report to command headquarters on any missing classes. Stretcher Crew was assigned to cover the campus and search for any "trapped or injured" students.

The drill was executed with speed and safety and the entire student body of 3000 students and teachers moved calmly to assigned areas. Roll was taken and classes were accounted for. School officials were pleased with the cooperation of everyone on campus.

Aides

In addition to our wonderful teaching staff, the ESOL and Project aides are a very important attribute to San Gabriel High. The ESOL aides help those students whose primary language is other than English. The aides are very patient and put a lot of effort into helping students perfect their English.

Project aides work in the SCE project classes giving individual help to students and helping teachers with materials and record keeping.

The campus aides are constantly working for the safety of the students around school. They patrol the entire campus before, during and after school. They work in close relationship with the deans to encourage students to stay out of trouble.

The aides have created a better atmosphere this year by getting to know the students in the detentional hall. This is where they get to know each other and where they share problems and solutions. The campus aides have helped to bring a feeling of peace and tranquility throughout the campus.

Joe Young Chang and Gina Alemgaden practice writing on Apples.

Computers arrived on campus this year! Ataris, TRS 80s and two Apples moved on to the campus and were quickly put in to use in several different areas.

One area was an exciting computer lab for LEP (limited English speaking) students. These students, regularly enrolled in either Intermediate or Advanced ESL classes, were scheduled into the lab for various periods of time. While in the lab they worked under the direction of teachers Ms. Sue Sommers and Mr. Pat Ryan. Additional help was given by two aides, Mrs. Martinez and Mrs. Guevara.

These LEP labs provided four different learning activities for the students. Group I worked on the Ataris on word processing programs. Students wrote, edited and revised their writing skills on these computers.

Additional programs, for use by these students, were written by Phil Tsoi-A-Sue, a 1983 graduate and present Cal State Los Angeles student.

Group II worked at the listening/speaking skills center. Much practice was given here in developmental language skills.

The controlled reading center was group III. Here students used materials in both English and their native languages. They worked on vocabulary, oral reading and thought questions on reading materials.

Mrs. Guevara worked primarily with group IV which used the EDL series and the reading screen.

During their time in the lab all the students rotated through the various groups to gain language development by various methods and techniques.

The Business Department set up word processing classes in which students learned to use TRS 80s and one IBM computer. The classroom was set up with some typewriters, 15 TRS 80s and two printers. One complete IBM set-up was available.

This classroom was filled with six classes per day, the morning classes taught by Mrs. Fran Traylor and the afternoon classes by Mr. Steve Figura. These business teachers became geniuses at working with and "speaking to" the often recalcitrant computers.

Students in these classes learned business uses of the word processing program. They became experts on let-

ters, forms, mailing lists and basic necessary skills for today's office work.

Two Apples were used by Mr. Larry Kanow in connection with his Physics classes. He spent the year developing programs and learning how to "live with" and "love" these two clever helpers. Kanow expects to integrate the use of these machines into his classes even more next year.

The index for this yearbook was stored into the yearbook's very own TRS 80. Three "friendly user" TRS 80s and a Daisy Wheel printer were housed in the journalism/yearbook office. Yearbook staffers became familiar with entering index names and pages and had the joy of watching the printer turn out an alpha index with correct page sequences.

Matador staffers struggled with the computers in order to learn how to produce photo ready copy for the print shop. It was a trial and error year with lots of new knowledge and a few frustrations along the way.

Computers became a part of San Gabriel High in 1984.

The Sophomore Football team did an excellent job of playing this year. Coach Charlie Cook led the team through a productive season. They had a record of 4-2-4. The Matadors defeated most of our competitors. The Sophomore team did equally well in both league and pre-league play. Coach Cook's son Chris Cook, also serves as the assistant coach. He is charge of all line positions.

The Freshman team played very well, a record of 7-3. The direction of recently hired coach Arnold has obviously paid off. By using a system of discipline and drilling he has instilled a sense of confidence in the players. Using this confidence, the Matadors have overcome their competition. The Matador spirit live on with these young men.

San Gabriel overtook its Varsity Volleyball League this year with its new inexperienced team. Although the odds were against them "they did well, considering we only had one player that had court experience," remarked Coach Larry Kanow. Maria Martinez is this "one" player and she has had more than court experience. "Maria is the best player we have ever had. She has made All-star CIF two years in a row, which is very unusual," Kanow stated. Along with Maria's progress came other individual successes, such as Kelly Nelson, Cathy Lee, and Lisa Mireles. Surprisingly two players Kim Sullivan and Virginia Chavez made the Varsity team without any J.V. training. These young players are part of next season's hopefuls.

The team is made up of talented individuals but it is the teamwork that matters in volleyball. Teamwork is exactly what they had because the Varsity players had a record of three to three in preseason and nine to one in league. They placed first in the league and went to the CIF play-offs.

Pride in Teamwork

Our Girls Junior Varsity Volleyball team accomplished an amazing event this season. With six games in proleague, the girls came out undefeated. But more importantly, the girls also managed to come out of league not losing a single game. This tough team became the Foothill League Champions with a record of ten wins to no losses.

Under the coaching of Steve Ritter, the team perfected the winning skills that made them victorious. Skill is a major factor, yet it is not the only reason why this team had advanced this far. Teamwork is essential and so is team spirit. One can see by watching the Junior Varsity girls the support and enthusiasm they give each other. This may have been the edge that added to their skills to put them ahead of the others. San Gabriel can be proud of its volleyball tradition and the S.G. spirit that it carries with that tradition.

Strength and dedication carried the Cross Country Team through the season. This year's team was made up of many energetic runners filled with potential. Under the instruction of Coach Benjamin, the team performed well during the season. They dedicated their time to the training involved in developing the stamina that is the essential part of long distance running. Jogging many miles during practice, in almost any weather condition toughened their determination.

They struggled through the season, not always achieving victory, yet retaining pride, for they had performed their best. Although the Varsity and Junior Varsity Teams each came out of the season with a record of one win to four losses and the Soph-Fresh team with a record of two wins to three losses, a stronger team was created. A team crossed the finish line with a great amount of dignity.

Varsity and Soph-Frosh Girls Cross Country did an outstanding job this year. The Varsity team finished second in the league. One runner who deserved recognition was Sylvia Mosqueda, who proved to have a great deal of dedication. Sylvia won the CIF Preliminary. Yasmín Perales, Annabel Fregozo and Kathy Ball also displayed the skill required to develop a winning team.

Soph-Frosh also did exceptionally well this year. They finished second in the league and their hard work brought them many victories.

Our Varsity girls began with a hectic preseason pulling an impressive record of six to four. The ladies then smashed their way through league to qualify for the second place position in CIF. With a league record of seven to three San Gabriel's Girls' Varsity Team fought against such rivals as Alhambra and Burroughs.

The team came out victorious because of a good mixture of experience and talent. This year's team was led by the six seniors: Peggy Bradley, Angie Chen (singles), Marlene Duffy, Polly Katayama, Tisha Martin, and Linda Akutagawa (doubles). Also helping the team to triumph were Susan Docherty, Lidia Ponce, and Delsa Fortich.

Through the hard practices and teamwork of all nine girls, San Gabriel upheld its reputation in tennis. A reputation Coach Bill O'Neil worked hard to keep.

The Junior Varsity Girls Tennis Team is an experience that gives young tennis players a chance to tune-up on their tennis game and prepare them for next year's varsity. Instructed by the experienced tennis coach, Sandy O'Neil, this year's young team excelled in preseason with scores of nine to three. In league they captured an overall second place, barely losing out to an old rival, Alhambra.

There is a lot of potential in our J.V. girls because many of the players are only sophomores and freshmen. With such strong strokes as Teresa Jones, Danielle Salazar and Jane Abrea have, the team shows great possibilities. What they lack in experience, this determined team makes up for in perseverance. They have played hard during practices and after. With that much motivation the J.V. girls should bring court dominance to both the Junior Varsity and Varsity Girls Tennis Teams in the following years.

Olympic Material

It has never been done before in the history of San Gabriel High nor in any other school in this area, until Maria Martinez, a senior, appeared on the volleyball courts. Maria brought recognition to San Gabriel by making All Star CIF two years in a row, an honor no one has achieved here before. Not only did she make CIF two years in a row, but she was named most valuable in league for those two years, which sets another record. This makes her the best volleyball player in our Foothill league.

Maria got into CIF by playing the position of setter. A setter is a key player to a volleyball team, because she decides on which player to set the ball to. It is up to her judgement of the right talent that can make or break a team.

It is very rare to find a volleyball player of Maria's caliber in the inland cities. Because volleyball is a sport that is highly emphasized on the coastal or beach cities, that is where many of the top volleyball talents came from. This sport is usually dominated by Blond-haired, blue-eyed players, but Maria is the best volleyball setter and is the best minority player in all Southern California.

As a freshman, Maria started on the Junior Varsity team here at San Gabriel, but by her sophomore year she started on the Varsity level and has been there since. Here is where she met Coach Larry Kanow, whom she claims has been a major influence to her game, along with her family's support. Maria plays all year long both in and out of school. In her spare time, she plays with the San Gabriel Club, which travels all over the U.S. Because of such dedication to the sport, Maria has been offered several volleyball scholarships. Schools such as Pomona College, Pitzer, Idaho State, and Cal Poly Pomona have shown great interest in her. When asked which one she plans to attend, she chose Cal Poly Pomona because of their academic curriculum. She also liked the coach and the quality of the team which placed fifth in the nation last season.

Maria Martinez, one of the Olympic players of San Gabriel, has given this school an honored name in the sport of volleyball a name of superiority we should all strive for.

The Golden Spirit

Kent Kuniyoshi caught in a moment of embarrassment.

"How's this for a big smile?," asks Kent

Budget cuts have hit our public schools in almost every department, and San Gabriel High is no exception. Because of the smaller budget, San Gabriel has sacrificed many options in its curriculum. One such option is the cut in team coaches. This year SGHS did not have the salary to pay for a Novice Girls' Volleyball coach, and a senior, Kent Kuniyoshi, volunteered.

Though Kent does not play volleyball himself, he is very familiar with the game. He has had two years of experience managing the Girls' Varsity Volleyball, and has gained the knowledge of coaching under Coach Larry Kanow.

Kent's job of coaching was made more difficult because of the fact that he was a student. He wasn't treated like an official coach by the girls, but more like a friend. This created problems, when it came to ordering 18 girls to seriously practice. Somehow Kent must have done something right, because his Novice team lost only two games in preseason and league combined.

When Kent was asked what he thought of coaching the Novice team he said, "It was fun, strenuous, and sometimes a pain when I couldn't get their respect. But, I'm glad I did it, because it gave me commitment and responsibility. It also made me realize how much I really know about volleyball!" Kent also claimed that this team has a lot of good potential and that with practice, like any sport, they will be beneficial to future varsity volleyball teams. Kent was asked to coach the Novice team again next year, but this is a commitment that he will have to think about.

Because of students like Kent Kuniyoshi, San Gabriel High benefits but the students attending the school do too. Kent has filled a vacant spot in the school that has helped it keep up its reputation in girls volleyball. It is this spirit that shows the pride of San Gabriel High, and makes it more than just a school of books.

The Winners' Court

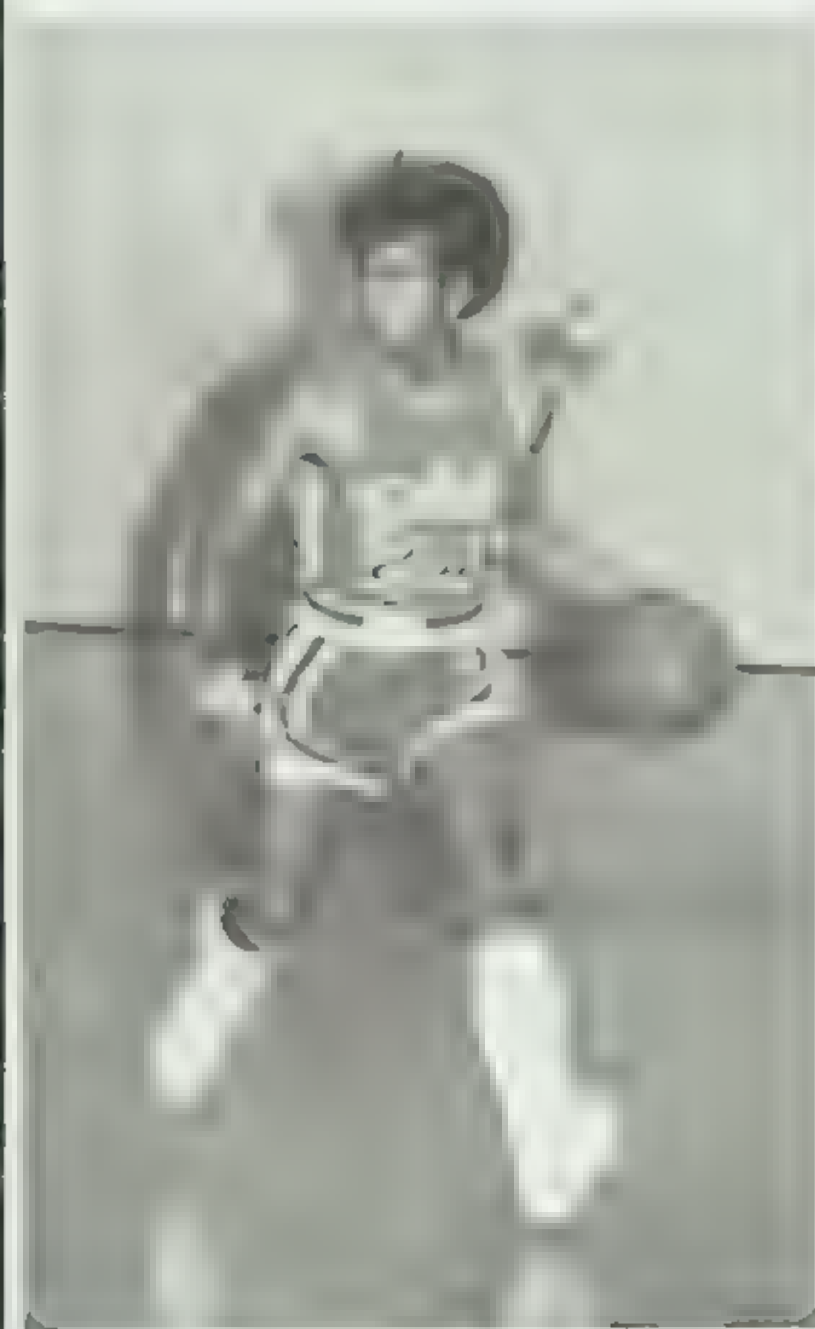

This year's Boys Varsity Basketball team was made up of young athletes with very high potential. Though the talent was apparent in these players, this season greatly sharpened and heightened their skills. The season brought not only a physical toughness but a mental toughness. The motivation behind their acceleration in basketball was Michael O'Conner, a new addition to San Gabriel's coaching staff. Since their first practice, the team has worked very hard to be recognized as an extraordinary varsity team.

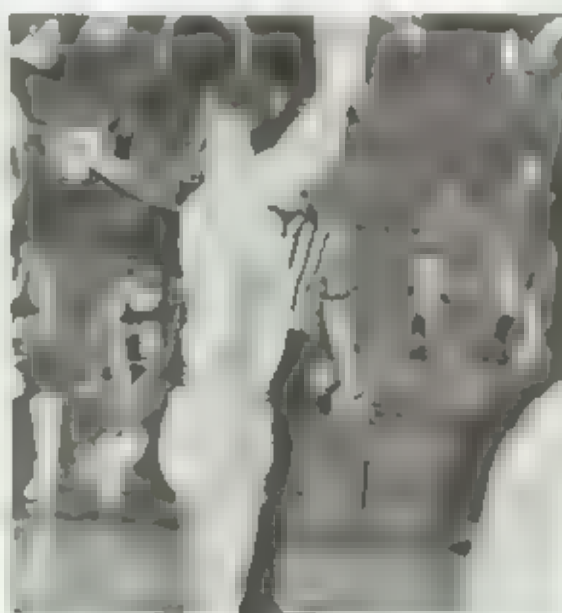

With a starting line-up of Chris Agus, Bobby Bereznak, Michael Johnson, Joe Manna, and Jim DePano, SGHS's team met fierce competition. The difference in experience and age of the other varsity teams proved it a difficult task to uphold SG's ideas of victory. Although they had preseason and league scores of 0-8, 0-8, our men gained an advantage from this. They found their opponents' weaknesses as well as their own. This knowledge will benefit them next year when San Gabriel's Varsity Basketball team will excel to the top!

Boys' J.V. Basketball

The Boys' J.V. Basketball Team was headed by Coach Jeff Johnson. The starting line-up was Tom Bitonti, Paul Gutierrez, Ray Gonzales, Donee Hazama, Jose Murrillo, and Donald Seiji. The whole team was made up of hard working players.

The team spent this year perfecting their offensive and defensive maneuvers. They had daily practices which consisted of hours of hard work and demanded the player's full attention on the coach.

They used all their games perfecting their maneuvers and as a training session for next year, Coach Johnson stated, "next year, the players in the program will be better than ever." This year's JV Basketball team will be a remarkable varsity team in the future.

Boys' Soph/Frosh Basketball

The 1983-84 Soph/Frosh basketball team had an outstanding season, through hard work and much enthusiasm from both the team members and Coach Ritter. This year's team consisted of all freshman. They did extremely well considering that they often played Sophomore teams. The team placed third in both tournaments that they entered and had the Preseason scores of 6-5 and League scores of 2-6. They are a very promising young group which should develop into a strong varsity team.

1984 Olympiads

This year's Girls' Varsity Basketball succeeded in upholding the Lady Matador tradition once again. Through hard work, determination, and the coaching of Bob Stand, they were able to persevere against formidable opponents and remain triumphant. The players themselves worked hard and extremely well throughout the whole season, perfecting their skills and pushing themselves just that much more during that period. With this, the team performed much like a well-oiled precision machine, striking terror into the hearts of the antagonists.

To perform any less would be unthinkable. In preseason, they were 16-4, an impressive score for any team. They pushed their talents further to capture the number one position in CIF in the 3A division. Congratulations goes to our Girls' Varsity Basketball team. They did it again, continuing the red and blue tradition and showing others what the letters S.G.H.S. mean.

Beginning At The Top

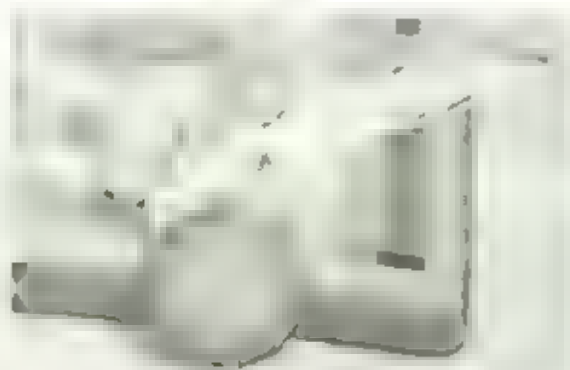

Freshman Girls

This year is the second year that San Gabriel High has had a Freshman Girls' Basketball team. Its purpose was basically to introduce freshman girls to competitive basketball and prepare them for the future Junior Varsity and eventually Varsity play. Coach Barbara Robbins did an excellent job of introducing the players to the high pressure competition of girls' basketball and was very pleased with the results. All improved a great deal throughout the season, and sharpened their skills in the sport.

JV Girls

The San Gabriel J.V. Basketball consisted of 13 players this year. Although the team was relatively young and inexperienced, they did have a fairly successful season. With the coaching of Paul Arnold, their many talents multiplied. They were a determined team with a spirit to win. As individuals, each was able to move and handle the ball well, but more importantly, as a team, the girls worked extremely well together and enjoyed the team spirit. Just watch out opponents of next year, SGHS girls will have developed their skills to near perfection for Varsity.

The Final Goal

Our Varsity Soccer Team has done an outstanding job this season. The team has proven to have the ability to pull together as one and reach their victories.

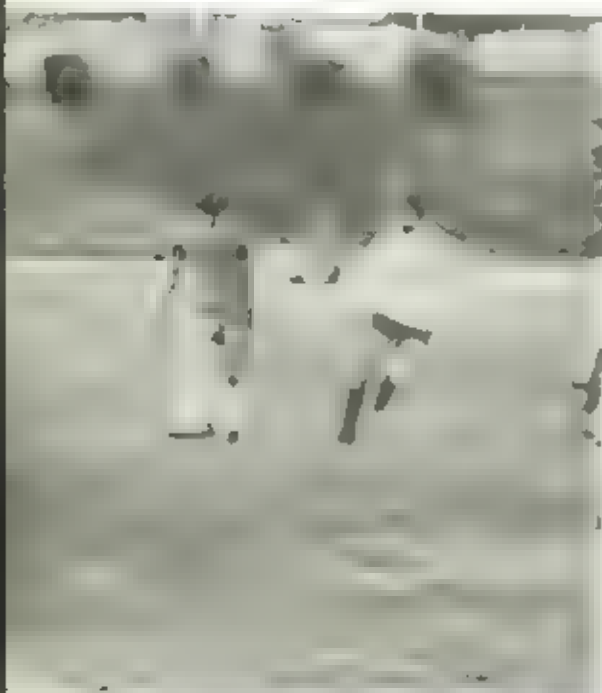

Our Varsity coach Dick Guzman is very proud of his men for showing such great effort. The players are also very grateful to Coach Guzman, for it has been his patience and teaching, that has lead them to victory! Some of our outstanding scores were Bosco Tech, 4-1, Muir 4-1, Edgewood 6-0, Diamond Bar 4-0, Burroughs 11-1, and Alhambra 5-0! The seniors who will be graduating this year are Willie Lujan, Eric Donnelly, Jerry Bojanos and Rafael Mercado. Each player will be missed but they should be proud to know that they have been part of a very talented team!

Starting On a Goal

There were many talented players on the J.V. soccer team this year. They've played with much enthusiasm and have reached many victories.

This year's J.V. soccer team was one of the strongest that S.G. has had in a long time. Coach Mitchell Guzman is a fine coach and his knowledge of the sport and encouragement of the players was a major asset to the team!

The S.G. Varsity Baseball Team did a super job this season! The coaching of Bill Young has brought the team to work together, and go out and get the job done. Coach Young had a lot of confidence in his players. Since his promotion to head coach this year, he showed outstanding work. The following players graduated this year: A. Sanchez, J. Montoya, J. Riggio, B. Walters, W. Lujan, A. Apodoca, R. Sumner, J. Saldana, R. Nevarate, R. Jeffs, and J. Jape

A Victory in Diamonds

This year's Frosh-Soph and Junior Varsity baseball teams had a great season! Each player showed great effort and a positive attitude towards their team. Coaches Guzman and Drake did a terrific job in coaching this year's teams.

Although this was Coach Drake's first year coaching JV baseball he gave his team much guidance and support. As a whole both teams showed willingness and drive to reach their victories!

Decathlon Contenders

The members of this year's track team were very hardworking and enthusiastic. Unlike other popular sports, track is divided into separate events at each meet. This gives a Track member the chance to compete in an event in which he/she is exceptionally talented. Within the Track team, there are basically three types of events: Sprinting, which ranges from 100m races to 800m races; Long-Distance running, which includes 1 and 2 mile races; Field Events, which is made up of Pole-Vaulters, High-Jumpers, Long-Jumpers, Triple-Jumpers, Shot-Putters, and, Discus-throwers. Although each event is scored individually, a track team must always be working together. This year's track team possessed unity needed to be champions.

Some of the graduating seniors were Ron Acosta, Darin Chamberlin, Kevin Donovan, Eric Donnelly, Anabel Fregosa, Keith Foster, Eric Kirchhoff, Silvia Mosqueda, Tim Nishikubo, Jasmin Perales, and Maarti Rytty. There were also many talented juniors this year. These members will make up the core of next year's Varsity track team.

Golf Had a Swinging Season

The San Gabriel Matador golf team got off to a swinging start this season. Coached by Thomas Putman the entire team showed a great amount of skill, strength, and motivation. Golf is an individual sport and each player must be willing to practice and improve his golf techniques. There must be a great amount of teamwork and support from the players as well. Our golf team possessed these characteristics this year, and that is why they were successful.

The varsity players consisted of a variety of members who had a lot of experience and excellent ability to be a winning team. The Junior Varsity players proved to be made up of qualified golfers and next year they will form a strong varsity team.

San Gabriel High is proud of their 1984 golf team. They are one example, of many teams at San Gabriel, that really work hard towards their goals and that strive to be number one.

Swimming in the Rings

Boys' Junior Varsity Swimming was one of the largest teams we ever had. They lost a lot of good swimmers during the past year, but this impressive group improved through a lot of hard work and determination. Their spirit and enthusiasm were shown at practices and meets. This group was eager to progress and do well. With more training, they will develop into a fine Varsity team.

The Girls' Junior Varsity swim team this year was full of talented swimmers. The effort of the swimmers and the encouragement of the coaches built this team. The girls enjoyed swimming this season and they combined enthusiasm with a highly competitive spirit. The combination provided a winning season. The role of a Junior Varsity team is to prepare players for Varsity competition. With spirit like that, it's obvious that this team is full of potential. They are bound to improve with training and encouragement. Each of these girls are definite prospects for Varsity next season.

Anyone who doubted this year's Boys' Varsity tennis team should have thought twice. With a strong preseason the team prepared for a promising year in league where they encountered tough rivals, such as Burroughs and Schurr.

According to Coach O'Neil, the team has been very enthusiastic and hard-working throughout the season, and he was quite amazed at the overall strength of the team.

This year's team was made up of five newcomers and three returning players, including Ted Nuguid, who just concluded his fourth year on varsity, and Arron Rambach and Seung Chun, who each finished a second year on varsity.

Although the Boys' Varsity tennis team was not as experienced as in previous years, they worked together and performed with skill and efficiency.

Boys' J.V. and Novice Tennis Teams

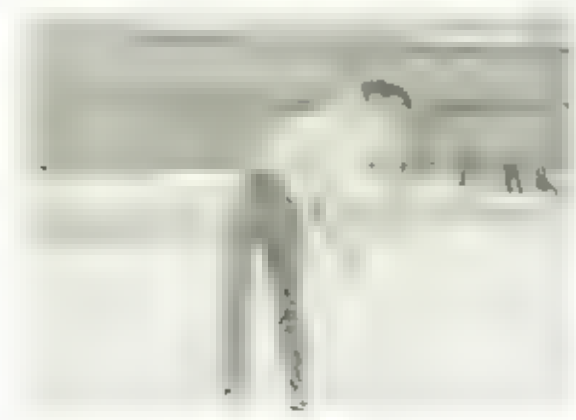

Sandy O'Neil, J.V. tennis coach, stated that this year's J.V. team was a strong team despite all the new arrivals that replaced last year's team.

This young team performed well as they faced big challenges against Los Altos and San Marino in preseason. As the season progressed into league matches, Alhambra continued to test the skill and determination of the S.G. players.

The Novice team, who is also coached by Sandy O'Neil, practiced and played just as hard. This team's persistence gained them a victorious win over Mark Keppel's team with a score of 27-1.

The experience of playing on the J.V. team and the Novice team will certainly enable these players to prepare for the many promising tennis seasons still ahead of them.

Lady Mats go for a rebound

This has been the eighth consecutive year that the Lady Mats have received the title of League Champions. They went all the way to semi-finals where they lost against Fontana. It was a good game and the girls did very well. They lost by six points. The score was 29-35. To get to the semi-finals, they had to beat Antelope Valley, Mary Star, and Mission Viejo. Fine performances were put in by each of the Lady Mats, Isabel Fregozo, Liz Hirn, Cathy Mercado, Susan Docherty, Cathy Watlet, Stefanie Meza, Julie Hokans, Erin Longo, and Tisha Martin. Thank you Lady Mats for a great season!

Willie Lujan displays his winning form

San Gabriel's soccer CIF play-offs went very well. The team made it to the second round of the play-offs. San Gabriel played their first game against the Ganesha Giants at Ganesha High School. The game was a very defensive game as the score points out with SG on the winning track, 1-0. The second game was against the Capistrano Valley Cougars. SG played well but they came out on the short end, 2-1.

Even though they only made it to the second round of the play-offs, San Gabriel's Varsity soccer team deserved a lot of recognition for doing such a great job. Outstanding players included Willie Lujan and Juan Suarezgui.

1984 — The World Events Which Became a Part of Our Lives

A U.S. soldier in Lebanon guards the barracks

This had indeed been a unique year 1984 ... a very special year for San Gabriel students

We have had everything from a video dance, during which we saw all our favorite singers on videos, to celebrating the Olympics to be held in Los Angeles

On the radio we have heard everything from Michael Jackson's "Thriller" to Boy George's "Karma Chameleon."

On the screen we have seen everything from "Flashdance" to "Footloose."

On the news we have heard about everything from our US Armed Forces in Lebanon to the downing of flight 007 to the cuddly little Cabbage Patch Dolls

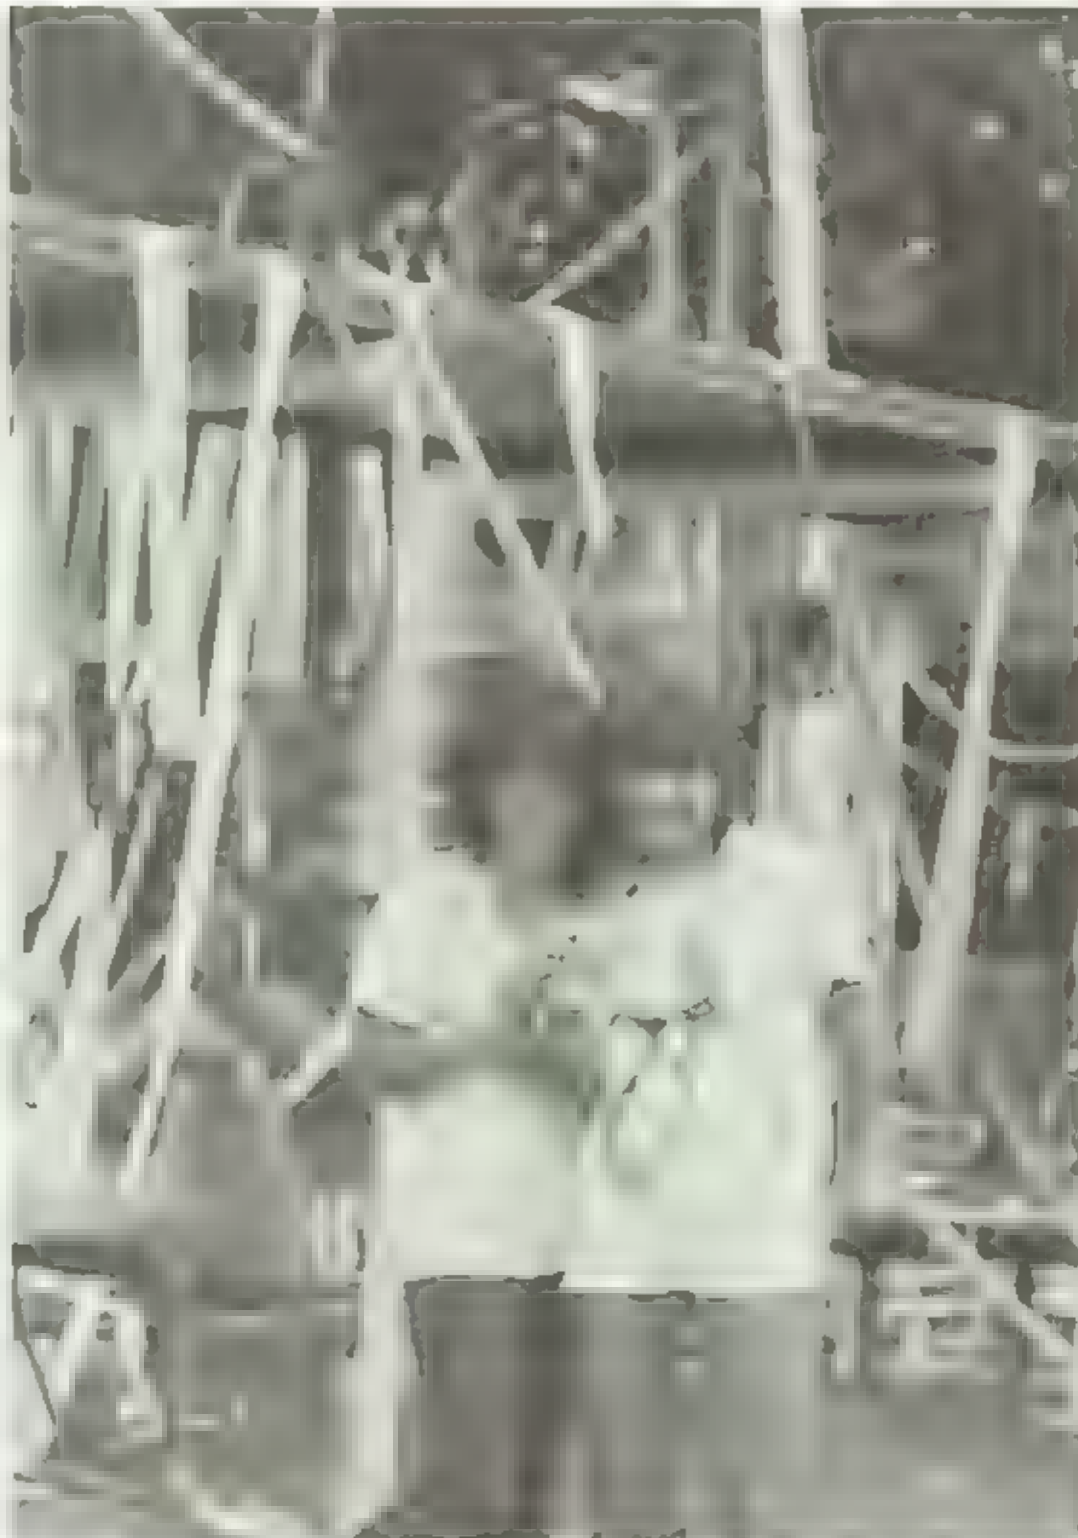

All of these things will be locked in our memories making 1984 a very special year.

Marlene Duffy and Debbie Cooper join in the fun of taking over senior court

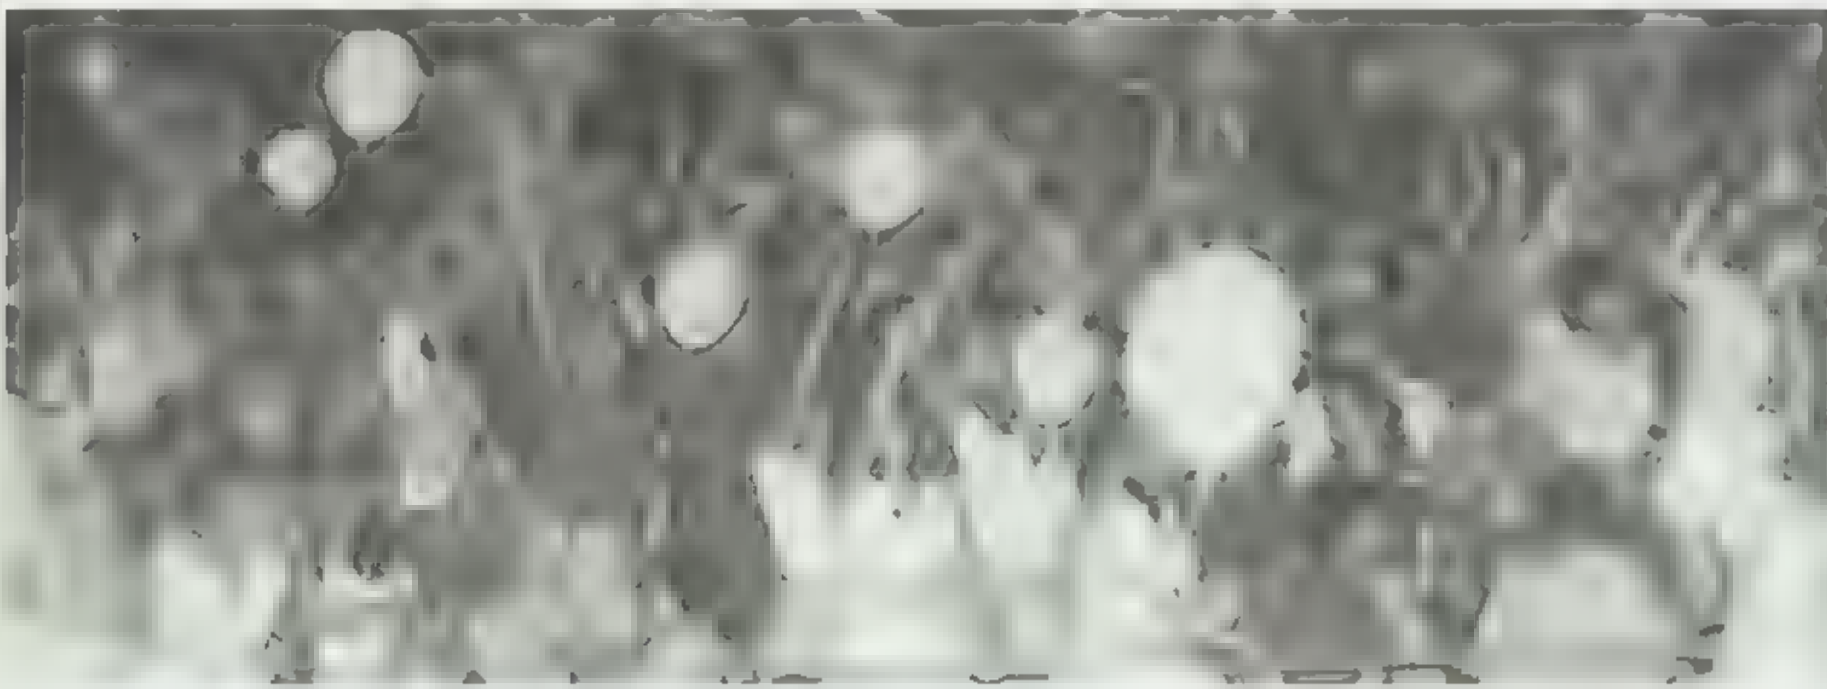

The halls are deserted on Senior Ditch Day

Couples Renee Montalvo and Erick Kirchhoff and Peter Altenburger and Michelle Orobona will always remember those special moments

Memorable Moments of Our Senior Year at San Gabriel

Matador fans never forget those winning touchdowns

The Pasadena Hilton welcomes Sherry Williamson to the 1984 prom "Reflections of a Dream"

We take one last look back as our senior year is at its end. The halls are empty, but our footsteps remain. They're in the stadium cheering our teams to victory and in the gym, all decked out in togas, dancing to the beat of Missing Persons and Loverboy. We've made memories at the Sweetheart's Ball and at the Prom, where we shared moments with that somebody special. And finally, we leave behind the coveted Senior Court for the class of '85 to conquer just as we did in '83.

Ahead, we look to 1994, and what the future had to bring us, as we, the senior class of 1984 cross over our tassels, and say, "Good-bye"

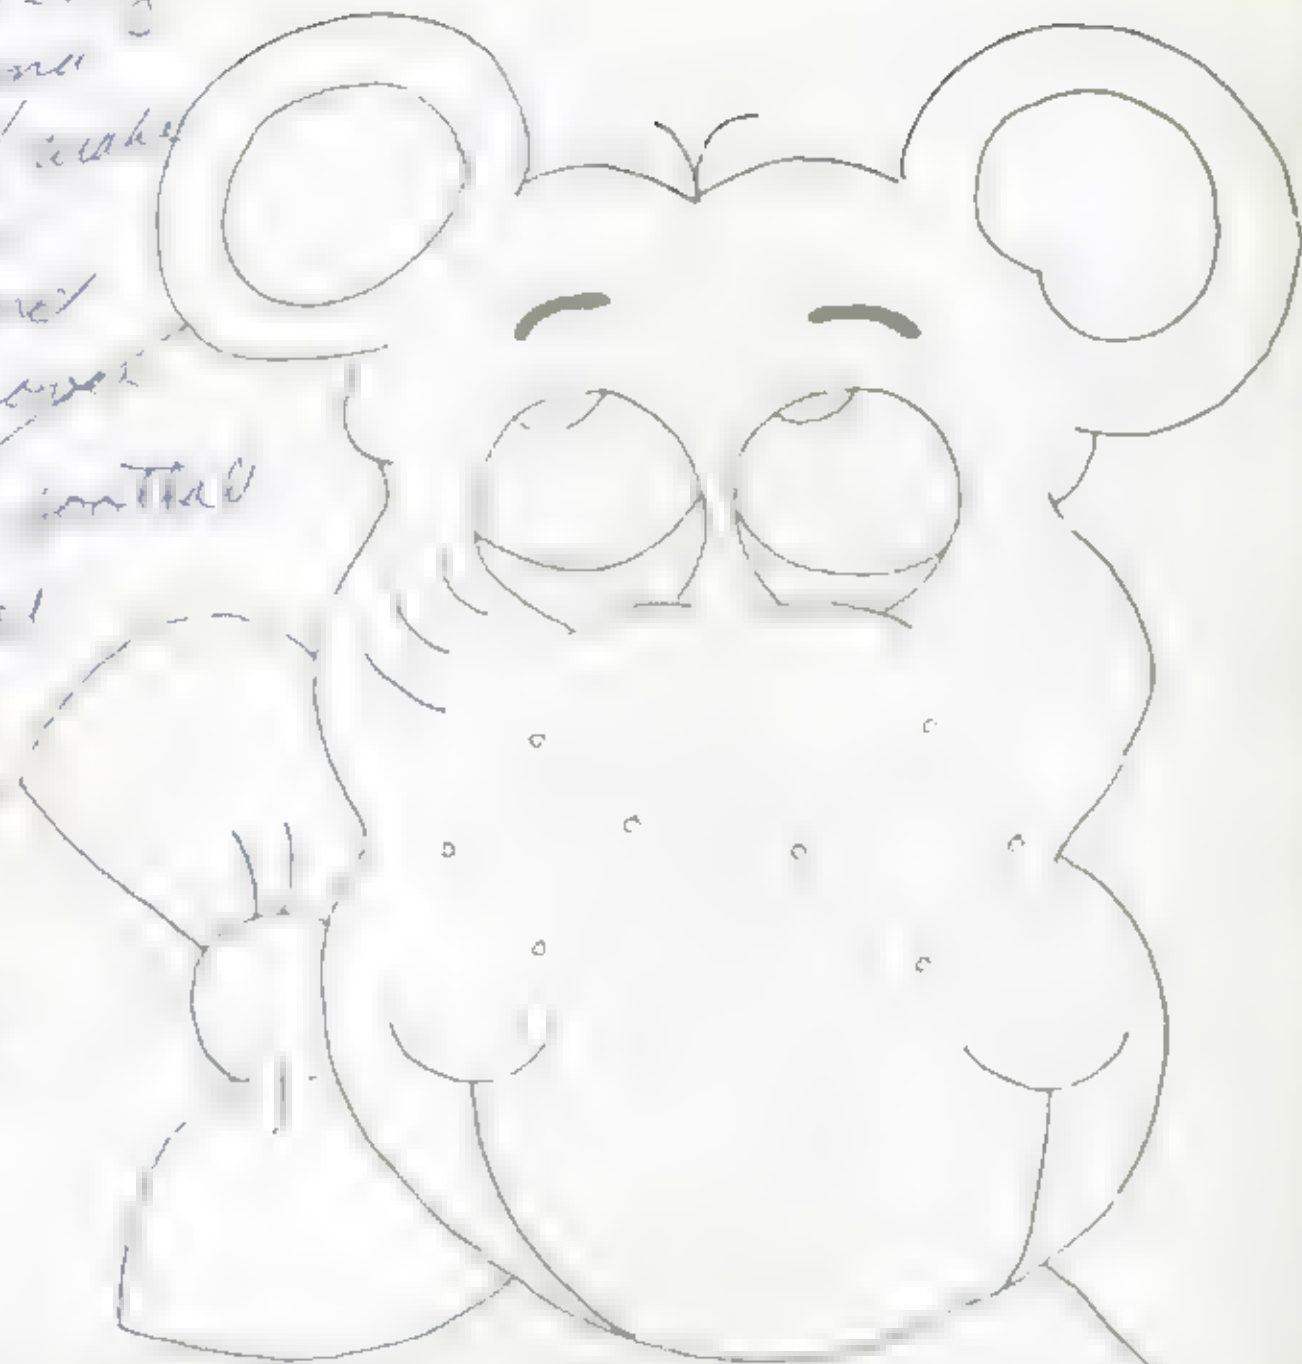

Graduation, the last and most memorable moment at San Gabriel High

I am,
 well super star you only
 have one more year and
 to do it well. Well make
 it as well as a senior
 year with football and
 not need to see you over
 the summer up to football
 and all. So stay cool

I will be
 always.

I will be
 always.

Well it's done! It's finally over my
 goal of being Yearbook Editor-in-Chief
 had been completed. This was not an
 easy task; it took a lot of work and pa-
 tience but I am happy to say it was
 worth it. We have tried to express our
 theme of "Reaching for the Gold"
 throughout the book because of the
 1984 summer olympics which are to be
 held in Los Angeles this year. We all
 might take it for granted that the year-
 book comes out at the end of the year
 every year. Well thanks to Mrs. Joyce
 Uphoff it did. "It's been a great three
 years Mrs. Uphoff, thanks and Colleen,
 yearbook camp was a blast!"

We also owe our thanks to Bob
 Bentley for his help with the cover and
 to Gary Roberts of Anthony Loya
 Studios, for his great photography. To

our own Mr. Viga Hall of Taylor
 Publishing Company, thanks for his pa-
 tience, and to Brian Martin, President
 of Gopher Inc., for all the errands.

Without the help of my best friend,
 Angie, kicking me when I fell behind,
 and without the help of my big brothers
 Scott, Steve and Larry, my big sister,
 Sherry and mom, I wouldn't have made
 it. Thanks to you all!

We hope all of you have as much fun
 reading and looking at this as we had
 creating it

Thanks again
 "Ding-Dong"
 Debbie Cooper

P.S. I got a Hippo in!

you but it's tough
 as you won't be in the
 keep you more. (Just kidding)
 We will be over the summer.
 we must act like we're not new but we are seniors.
 you said so.

Hi-lo Javier (elf)

Love ya,
 Holly Knapp
 (remember me Jay's lil sis)

Dear Jave,

Although we've only
 known each other for
 1/2 year, I still think you're
 a really nice and sweet guy
 Good luck next year as
 a Senior! Have a great
 summer, and come to our
 volleyball practices some time

Love

Hey Jave, I'm having a great summer and I'm
 out of football and I'm
 doing really well in
 my new class and I'm
 having a great time
 I'll see you soon
 Love
 Holly

Javier,
 Congrats! You
 made it through
 Martin's class without going
 nuts! I'm really glad I got
 to know you this year. Maybe some
 day we will take over Senior Court. But
 it was fun trying. Have a great summer!
 try to stay away from the police! (Haha)
 Love,
 Maria Franco

To the coolest guy to sit
 next to in 5th period, I'll
 probably see you next year
 so I won't bore you any
 more with this stuff.
 So have a good summer
 and keep out of trouble.
 Ross B. Barbey

Javier,
 a junior been
 as much friend for
 you. Good luck your
 senior year and with
 football!
 K.I.T.
 281-7890 Mike Bono

Well Jay,
 You GUNNA BE A
 SENIOR NOW AND I'VE
 KNOWN YOU FOR A
 GOOD YEAR. I WON'T
 BE PLAYING FOOTBALL
 SO I MIGHT NOT SEE
 YOU THAT MUCH NEXT
 YEAR UNLESS YOU TAKE
 ART, HINDS, CHEMISTRY
 WELL, GOOD LUCK IN
 FOOTBALL, I'M SURE
 YOU'LL DO GREAT.
 Your good friend
 LEO
 246-4383

Javier,
 I'm really glad
 I got to meet you this
 year! You were a
 super powder with football
 coach and at times we
 were an awesome team!
 Next year is going to
 be great - hope we have
 more fun (like Sr. court
 take over - except no Mr.
 officers next time) next
 year. Have a great summer -
 maybe I'll go visit you
 at Taco Bell! Don't be
 a stranger - come by
 you know where I live!
 Take care - stay out
 of trouble!

To Javier,

It's been really great being with ya in the same class. Some of your jokes were purdy funny (though not all). I hope you have a radical summer & a bitchin' senior year. & Though next year's sophomores will be better. See ya next year!

class of '87
#1

Later,
Eileen
my nerdy friend -
Tony Millot

Javier (suave)

Well Siv Punker, next year you're a sucking Senior!! and

I'm a jammin' junior!! It's been really cool knowing you, even though you have a weird sense of logic.

Well, see you in the summer, where we can kick some ass on the old

grid-iron

Later

KIT

725-1936

To Javier hope you have a good summer. Too bad I didn't know you too long, well maybe next year huh.
your friend
Tony Millot

Javier,
I'm glad I met you in thrilling Algebra 3/4. You're a really great guy and I wish you the best of luck in the future. Have a Super Summer and I hope to see you soon!

ME

Bye!
Class of '86
Luv,
Suzie
Follmer

JAVIER

Mister QB has passed all his classes I hope.
 So what's in store for your future? We, of
 course, anticipate great success and pros-
 perity. But how can we? If you know what
 the answer is, why don't you tell me -
 what does it feel like to be free? - Enuf
 of the new speak, let's get on to Algebra -
 I'm really glad that you were in class
 w/ me, cause who would I have to joke
 with? None of the Vietnamese understand
 my humor. - And Angles! I said she a
 beauty. Booy, she done us real justice!
 Well, don't choke on any tacos over
 the summer, and get a tan!

WHAT HAPPENED
TO RONNIE?

You are truly my Idol. You
 are the supreme ruler of the
 galaxy. No seriously Javi, keep all
 those Idols coming to your
 head, and don't send Linda to my
 house anymore.

Jave,
 you know only one thing
 could have have my year
 complete and that would
 have been to get to know
 you better. The night we
 spent together was really
 exciting. Remember! It was
 The Jr. Sr. Thing. Heres
 hoping your sr. year is
 everything you want it and
 more.
 Have a good life
 love, Delse,

Jave,
 we had a pretty good
 year as Juniors but
 as Seniors it will be
 even better. We had
 a cool time when we
 went to Westwood, we
 should do it again this
 summer. Have a cool
 summer and I'll see you
 next year.
 Love,
 Jayman the

 SEE YOU SOON
 OURS! HAVE A GREAT SUMMER
 OVER SENIOR COURT BECAUSE IT
 HAVE TO WORTH ABOUT TAKING
 BE SERVICES AND WE WON'T
 OWN! WE'LL NEXT YEAR WE'LL
 A DAY WE REALLY SHOULD HAVE
 YOU AS MY FOOT BALL COACH FOR
 HAD THE PRIVILEGE OF HAVING
 I'M REALLY GLAD THAT I
